# Cornell Blacklight

- Cornell leveraged Columbia's Blacklight development, built new discovery system
- search.library.cornell.edu - going Beta

The screenshot displays the Cornell University Library search interface. At the top, the Cornell University Library logo and name are visible. Below the navigation bar, the search area is titled "Search / Catalog" with a "Beta" badge. The search bar contains the text "Search..." and a dropdown menu set to "All Fields". A "Search" button is present, along with a link to "Advanced Search" and a note "or Start over".

On the left side, there are filters for refining results:

- Access:** At the Library (162,168), Online (40)
- Format:** Book (163,004), Thesis (58)
- Author/Creator:** (+)
- Publication Year:** (+)
- Language:** Russian (163,004)

The search results show a list of items. The first item is:

1. 1 [i.e. pervogo] avgusta 1914 [i.e. tysîâcha devîât'sot chetyrnadîsatogo] 1974
