## Apply if you:

- Work well with others.
- Are interested in learning to set up and maintain office computers and support staff and Chemistry faculty using them.
- And can help keep department equipment organized.

The Cornell Chemistry IT support group has up to two full-time positions available this spring, 2014.

- Work a minimum of two 3-hour shifts per week, during M-F, 9am - 5pm. More hours available.
- Possible continuation, up to full-time, during the summer.

Pay starts at \$9.00/hr. Apply today, through our web page: [tinyurl.com/ChemIT2014sp](http://tinyurl.com/ChemIT2014sp)
