

**Graduate students!
Undergrads!**

KNOW LINUX? Get Job!

CORNELL STUDENTS: Earn money AND keep your **Linux skills** sharp

<http://tinyurl.com/ChemIT2013fall>

Apply if you can:

- Work well with others to achieve stable Linux systems.
- Teach and coach tech-savvy staff Linux-based administration skills and techniques.
- Research and test Linux-based options to solve real-world challenges.
- Contribute to optimizing our work processes related to Linux administration.
 - ⇒ Our environment includes high-performance compute clusters - neat!

The Cornell Chemistry IT support group has a multi-semester, part-time position open now.

- Continuity into summer 2014 very likely, depending on candidate's availability

Pay starts at \$12/hr. No resume required, so **apply today** through our web page: tinyurl.com/ChemIT2013fall
