Baker Hall 119 iClickers
All students must change their clicker frequency in this class room only.

To change your clicker frequency:

1. After your instructor has started the i>clicker program - ONLY after you see the i>clicker program on the screen
2. Press AND HOLD the Power button on your clicker
3. When the Power light flashes green, let go of it
4. Press the **B** button twice

If you use this clicker:		If you use this clicker:	
	You will need to repeat this every time your clicker turns off		Your clicker will remember the new frequency when turned off NOTE: You will need to change it back to the default frequency "AA" for other class rooms
