

arXiv Member Institutions (2016)

Cornell University Library (CUL), the Simons Foundation, and a global collective of institutional members support arXiv financially. The financial model for 2013-2017 entails three sources of revenues:

- CUL provides a cash subsidy of \$75,000 per year in support of arXiv's operational costs and an in-kind contribution of all indirect costs, which currently represents 37% of total operating expenses.
- The Simons Foundation contributes \$100,000 (\$50,000 during 2013-2015) per year in recognition of CUL's stewardship of arXiv. In addition, every year, the Foundation matches \$300,000 of the funds generated through arXiv's membership fees.
- Each member institution pledges a five-year funding commitment to support arXiv. Based on institutional usage ranking, the annual fees are set in four tiers from \$1,500-\$3,000. Cornell's goal is to raise \$300,000 per year through membership fees generated by approximately **201** institutions. Discounts for members paying through consortial agreements will be provided.

We gratefully acknowledge the support of the following institutions for the arXiv membership model and their intentions for a five-year pledge, 2013-2017. According to the [arXiv's Principles](#), membership in arXiv and representation on the MAB is reserved for libraries, research institutions, laboratories, and foundations that contribute to the financial support of the service. Please see the [arXiv Sustainability Initiative Website](#) for information about the arXiv governance and business model.
