NADINE AUBRY
(Cornell Ph.D. '87 ME)
Northeastern University

DEAN'S OFFICE

College of Engineering
230SN
Northeastern University
617-373-5847
n.aubry@neu.edu

Nadine Aubry, University Distinguished Professor and Dean of the Northeastern University College of Engineering, is known for her contributions to the field of fluid dynamics. Aubry was elected to the National Academy of Engineering and the National Academy of Inventors, and is a Fellow of the American Physical Society, the American Society of Mechanical Engineers, the American Association for the Advancement of Science, and the American Institute of Aeronautics and Astronautics. She has held or is holding a number of national and international leadership positions, including Chair of the National Academies' U.S. National Committee for Theoretical and Applied Mechanics, Chair of the American Physical Society Division of Fluid Dynamics, and Chair of the NAE's Frontiers of Engineering Education Advisory Committee. Recently, she was elected as President of the International Union of Theoretical and Applied Mechanics. Before joining Northeastern, she was the Raymond J. Lane Distinguished Professor, University Professor and head of the Department of Mechanical Engineering at Carnegie Mellon University. Aubry holds a Ph.D. in Mechanical and Aerospace Engineering from Cornell University.

JAMES BECKER
(Cornell BSCE '65, MS
Structural Eng. '67)

SKANSKA USA BUILDING, INC.

101 Seaport Boulevard,
Suite 200
Boston, MA 02210
617-574-1450
jim.becker@skanska.com

Dr. James "Jim" Becker is a Corporate Senior Vice President of Skanska USA Building where he is currently responsible for rebuilding their training program. Prior to this assignment he provided leadership for the company's Virtual Design and Construction operation. Previously, Jim was a Vice President of Skanska AB, the parent of Skanska USA Building, where he was responsible for special projects that addressed knowledge sharing between Skanska's thirteen global business units. During all of these various assignments at Skanska, Jim has stayed active as an Account Manager with some of Skanska's key clients in higher education. He previously served as the president and CEO of Beacon Skanska (now Skanska's New England office) and its predecessor Beacon Construction Company where several projects under his leadership were awarded the prestigious AGC Build America Award, including Sage Hall at Cornell. He was a faculty member at Massachusetts Institute of Technology, and also currently serves on the Civil and Environmental Engineering Advisory Committees at both Cornell, where he is Chair, and the University of California, Berkeley.

DANIEL S. BERNSTEIN
(Cornell B.S. '70)

ALEXANDER WOLF & SON

A Division of A.W. & S.
Construction Co. Inc.

1070 Park Avenue
New York, NY 10128
212 972-1740
DBernstein@
awolfandson.com

Daniel S. Bernstein is the owner of Alexander Wolf & Son, a general contracting firm specializing in interior renovations in New York City. The company was founded in 1905 by Daniel's grandfather. They have upgraded and modernized many of the city's iconic buildings including Rockefeller Center, the Empire State Building, the original World Trade Center and the United Nations campus. Daniel is a member of the Board of Trustees of the Solomon Schechter School of Manhattan, the Park Avenue Synagogue, the Jewish Homecare Network, and the Affinity Insurance Company. Daniel is now in the midst of training his two children both of whom graduated from Cornell, Peter '03 B.S. from the College of Engineering and MBA from NYU '06 and Michelle '07 B.A. from the College of Arts and Sciences and MBA University of Miami '12 to be the fourth generation of family owners of Alexander Wolf & Son.

NAJIB S. CANAAN
(EE '86, M.Eng. Nuclear
Eng '87)

**MARINUS CAPITAL
ADVISORS, LLC**

19 Old Kings Highway
South, Suite 330
Darien, CT 06820
203 567-6401
Najib.Canaan@Marinus-
Cap.com

Mr. Canaan is the Managing Partner of Marinus Capital Advisors. Prior to founding Marinus in 2010, Mr. Canaan was a Managing Director at GSO Capital, a Blackstone Group affiliate. Previously, Mr. Canaan was the Executive Managing Director and Co-Head of International Fixed Income at Nomura Securities International in New York (2003-2006) with responsibilities over all activities in the U.S., Europe, and Non-Japan Asia. In his various roles at Nomura, Mr. Canaan managed a trading and origination business of one thousand professionals and a balance sheet in excess of \$100 Billion. Prior to Nomura, Mr. Canaan was a Managing Director and Principal with Donaldson, Lufkin and Jenrette (DLJ then CSFB) (1988-2001). Holding several positions in research and trading, he was instrumental in establishing the Special Situations desk within the MBS Group at DLJ. He is a member of the Cornell University Council, a President's Circle volunteer for the Annual Fund at Cornell University, a member of the Advisory Council of the Buck Institute, a board member of Toktumi Inc, and a Senior Member of LIFE. He holds a B.S. in Electrical Engineering (1986) and a Master of Engineering Degree in Nuclear Engineering (1987).

LANCE R. COLLINS
(Ex Officio Member of the
Council)

CORNELL UNIVERSITY

College of Engineering
242 Carpenter Hall
Ithaca, NY 14853-2201
607 255-9679
engineering_dean@
cornell.edu

Lance R. Collins is the Joseph Silbert Dean of Engineering. He served as the S. C. Thomas Sze Director of the Sibley School of Mechanical and Aerospace Engineering from 2005 to 2010. He joined Cornell in 2002, following 11 years on the Chemical Engineering faculty at Pennsylvania State University. Collins was part of the Cornell leadership team that won the bid to partner with New York City to build a new campus focused on innovation and commercialization in the tech sector on Roosevelt Island. His research combines simulation and theory to investigate a broad range of turbulent flow processes, including the motion of aerosol particles in turbulence, mixing and chemical reactions in turbulent flames, turbulent breakup of drops and drag reduction due to polymer additives. He is a fellow of the American Physical Society, chairs the U.S. National Committee on Theoretical and Applied Mechanics, and serves on the Division on Engineering and Physical Sciences, the latter two committees operating under auspices of the U.S. National Academies.

FRANK DECOSTA
(Cornell B.S. '85 EE,
M.Eng. '86 EE)

FINNEGAN, LLP

901 New York Ave. NW
Washington, DC 20001-4413
(202) 408-4012
frank.decosta@finnegan.
com

Frank A. DeCosta III, J.D., Ph.D., is a partner at Finnegan, LLP. He is former head of the firm's 130 member electrical and computer technology practice group and a member of the firm's management committee. DeCosta has significant experience in patent litigation, client counseling, and providing opinions related to computers, electronics, software, medical devices, and information systems. Most of DeCosta's cases have involved technology related to his previous research, academic training, and work experience at Bell Labs and The Mitre Corporation. He has managed patent enforcement and defense activities for clients in the United States, Europe, and Asia. As a first chair litigator, he directed litigation teams that obtained jury and bench judgments of more than \$100 million.

MICHAEL EVEN
(BS '82 ORIE)

**NUMERIC INVESTORS
LLC**

470 Atlantic Ave., 6th Floor
Boston, MA 02210
617 897-7810
Michael.Even@numeric.
com

Mike Even joined Numeric as President and CEO in 2006. He is also a member of the Man Group PLC Executive Committee. Prior to joining Numeric, Mike worked at Citigroup for nine years building a global asset management organization. After Citi merged with Travelers, Mike became Global CIO of the Private Bank and eventually, Global CIO for Citigroup Asset Management, overseeing investment teams running nearly \$500B in client assets. Prior to joining Citigroup Mike spent 13 years at Independence Investment Associates in Boston. Mike holds a B.A. in Economics and a B.S. in Operations Research and Industrial Engineering from Cornell University and an M.S. in Business from the Massachusetts Institute of Technology. Mike is a CFA charterholder and currently serves on the investment committees of the Massachusetts Pension Reserves Management Board (PRIM) and the Trustees of the Reservation.

**SARAH T. FISCHELL**

(Cornell B.S. '78 EE,
M.Eng. '79)

RETIRED

71 Riverlawn Drive
Fair Haven, NJ 07704
732 758-9654
sfischell@comcast.net

Sarah T. Fischell has spent her career in telecommunications planning and medical device innovation and nonprofit management. Much of her 20 years with AT&T was devoted to technology and services planning for business voice and data networks. More recently, Fischell supported several medical device start-up companies in financial management and intellectual property management roles. She is largely retired from technology-related pursuits. She is an emeritus director of the Cornell Engineering Alumni Association and she serves on the boards of a number of local non-profit organizations. Sarah is married to David Fischell '75, and they have two children, Erin '10 and Jennifer '13.

**GREGORY J. GALVIN**

(Cornell M.S. '82 MSE,
Ph.D. '84, M.B.A. '93)

**RHEONIX INC. AND
MEZMERIZ INC.**

10 Brown Rd., Ste. 103
Ithaca, NY 14850
607 257-1242 , ext. 110
ggalvin51@gmail.com

Greg Galvin is President and CEO of Rheonix, Inc., which produces fully-automated, molecular diagnostic systems for clinical and applied markets. He is also President and CEO of Mezmeriz, Inc., an early stage three-dimensional imaging company. In addition, Galvin is Executive Chairman of Incodema3D, Inc., a metals additive manufacturing company. Until 2013, he was the President and CEO of Kionix, Inc., a Cornell technology MEMS company that he co-founded in 1993. Galvin currently serves on the boards of Rheonix, Mezmeriz, Incodema3D, the Ithaca Sciencenter and the Boyce Thompson Institute. He served on the Cornell Board of Trustees from 2011 to 2015; he also serves on the Cornell Materials Science and Engineering Advisory Council and on the Entrepreneurship at Cornell Advisory Council. In 2010 Galvin was a regional Ernst & Young Entrepreneur of the Year Award winner. He was honored by Cornell as the 2014 Cornell Entrepreneur of the Year. Galvin has a B.S. in Electrical Engineering from the California Institute of Technology. His oldest son Thomas is in the class of 2019 in the Cornell College of Engineering.

**VIRGINIA L. GIDDINGS,
PH.D.**

(Cornell B.S. '88 ME,
M.ENG. '89 ME)

**STRYKER
NEUROVASCULAR
DEVICES**

(650) 868-1171
virginia.giddings@stryker.
com

Virginia Giddings has more than 25 years' experience in healthcare, with leadership roles in medical device, pharmaceutical and nutrition businesses. Currently, she heads Advanced Research and Development (R&D) at Stryker Neurovascular Intervention, where she is responsible for technology strategy and driving future innovation to treat stroke. Previously at Abbott, she led Strategic R&D for the Nutrition business, with responsibility for early-stage research and global science partnerships. Also at Abbott, she led development of ABSORB, a bioabsorbable cardiovascular scaffold, which received the Wall Street Journal 2011 Innovation Award for Medical Devices. A patent agent, she had IP strategy roles with Johnson & Johnson and Advanced Stent Technologies, a start-up acquired by Boston Scientific. At Exponent, she was a consulting expert across a range of technical issues. She serves on the Executive Committee for the Center for Nutrition, Learning, and Memory at the University of Illinois, the Cornell Engineering Council, and the President's Council of Cornell Women. She founded MedtechWomen, an organization advancing women in leadership in healthcare. She received Bachelor's and Master's degrees in Mechanical Engineering from Cornell University and a Ph.D. in Biomechanical Engineering from Stanford University.

**RANA GLASGAL**

(CORNELL B.S. '87, M.ENG.
'92 ORIE)

**NORTHEASTERN
UNIVERSITY**

263 Huntington Ave #274
Boston, MA 02115
Mobile: (650) 906-4960
Office: (617) 373-8565
rg87@cornell.edu

Rana Glasgal has nearly 20 years of experience in higher education administration. She is currently the Associate Vice Provost for Institutional Research and Decision Support at Northeastern University, facilitating institutional decision making by providing integrated analysis and research. Prior to holding this position, Rana spent over 18 years at Stanford University, most recently as Assistant Vice President for Workforce Analytics, designing and promoting the use of analytics for decision making in academic human resources. Before Stanford, she was a consultant with Decision Focus Incorporated. Rana just concluded her term as an alumni-elected trustee on the Cornell Board of Trustees and is a life member of the Cornell University Council. She is currently a member of the CAAAN Advisory Committee and a former Chair of that group. She is a member of CAAAN and a former General Chair for the Northern California region. She has served as a director of the Cornell Alumni Federation and as a member of the Ways and Means Committee. Rana holds her B.S. and M.Eng. from Cornell in Operations Research.

MICHAEL GOGUEN
(Cornell B.S. '86 EE)

VENTURE CAPITALIST

Michael L. Goguen is a venture capitalist. He was a Partner at Sequoia Capital from 1996-2016, where he focused on infrastructure and technology investments. He has been a director at more than 10 portfolio companies and led Sequoia's investments for many more. Before joining Sequoia Capital in 1996, Goguen spent 10 years in various engineering, research and product management roles at DEC, SynOptics and Centillion and was a director of Engineering at Bay Networks (Nortel). Goguen also served as a Technical Chairman of the ATM Forum. He holds a B.S. in Electrical Engineering from Cornell University and an M.S. in Electrical Engineering from Stanford University.

KENT E. GOKLEN
(Cornell B.S. '79 ChE)

GSK BIOPHARM R&D

Mailstop UE0550
709 Swedeland Road
PO Box 1539
King of Prussia, PA 19406
610 270-4793
kent.goklen@gsk.com

Kent Goklen is the Director of Downstream Process Development at GlaxoSmithKline Biopharm R&D in King of Prussia, PA, with responsibility for the process development, scale-up and tech transfer of purification processes for biopharmaceuticals. Kent joined GSK in 2008, after retiring from the Merck Research Laboratories, where he had led a team in the BioProcess R&D organization. Since joining GSK, he has contributed to the development of two recently licensed biopharmaceuticals, Eperzan/Tanzeum® and Nucala®. While at Merck, he played a key role in the development and demonstration of manufacturing processes for Mevacor/Zocor™ and Cancidas.® Kent has a B.S. from Cornell University and M.S. and Ph.D. degrees from MIT, all in Chemical Engineering. Kent is a Fellow of the American Chemical Society, where he is active in the Division of Biochemical Technology, and is Adjunct Professor of Chemical and Biomolecular Engineering at Cornell University.

KEN GOLDMAN
(Cornell B.S. '71 EE)

YAHOO!

701 First Ave.
Sunnyvale, CA 94089
408 336-0012
kgoldman5@gmail.com

Ken Goldman is the chief financial officer of Yahoo!. In this role, he is responsible for Yahoo!'s global finance functions including financial planning and analysis, controllership, tax, treasury, and investor relations. Most recently, he was CFO of Fortinet. He served as senior vice president, finance and administration, and chief financial officer of Siebel Systems, Inc. and Excite@Home Corporation and Sybase, Inc. He currently serves on the board of directors of NXP Semiconductor, Yahoo! Japan, Trinet, GoPro, Inc. and several private companies. Goldman was a member of board of trustees of Cornell University from 2005 to 2013 and was designated as Emeritus Trustee. He was formerly a member of the Treasury Advisory Committee on the Auditing Profession and was appointed a member of the Public Company Accounting Oversight Board's Standing Advisory Group ("SAG"). Goldman holds a B.S. in Electrical Engineering from Cornell University and an M.B.A. from the Harvard Business School.

ANDREA IPPOLITO
(Cornell B.S. '06 BE,
M.Eng. '07 BME)

DEPARTMENT OF VETERANS AFFAIRS

87 West Cedar St., Apt. 1B
Boston MA 02114
339-234-0164
Andrea.Ippolito@va.gov

Andrea Ippolito is the Innovators Network Lead at the Department of Veterans Affairs. She previously served as a Presidential Innovation Fellow at the VA Center for Innovation based out of the White House Office of Science Technology Policy and General Services Administration. She previously was a Ph.D. student in the Engineering Systems Division at MIT, co-founder of Smart Scheduling, Innovation Specialist at the Brigham & Women's Hospital Innovation Hub, and co-leader of MIT's Hacking Medicine. She also served as a Product Innovation Manager at athenahealth and completed her M.S. in Engineering & Management at MIT. Prior to MIT, Ippolito worked as a Research Scientist within the Corporate Technology Development group at Boston Scientific. She obtained both her B.S. in Biological Engineering in 2006 and Masters of Engineering in Biomedical Engineering in 2007 from Cornell University.

KEVIN P.B. JOHNSON
(B.S. '88 EE)

**QUINN EMANUEL
URQUHART OLIVER &
HEDGES LLP**

35 Mission Trail Rd.
Woodside, CA 94062-3544
(650) 801-5000
kevinjohnson@quinnemanuel.com

Kevin Johnson, who has an electrical engineering degree from Cornell, serves as lead counsel for such companies as Sony, Samsung, Marvell Semiconductor, MediaTek, Hynix, Bio-Rad, and salesforce.com, to name a few. He has tried many cases to verdict for these and other clients over the course of his career. His practice focuses on litigating patent infringement, trade secret, unfair competition, trademark, copyright and licensing actions in federal and state courts, as well as the International Trade Commission. His experience ranges from representing Fortune 50 companies to smaller, rapidly growing technology companies in disputes related to smart phones, microprocessors, wireless communications, semiconductor processing equipment, liquid crystal devices, consumer electronics, medical devices, biotech and life science products, software and graphics, telecommunications, and optical devices.

MICHELE A. KALISKI
(Cornell B.S. '85 ORIE)

PUBLIC SERVANT

813 Carrie Court
McLean, VA 22101
(781) 492-3313
makaliski@gmail.com

Michele A. Kaliski brings three decades of practical experience investing in students, innovation, and public service. After graduating from Cornell, Kaliski studied as a General Motors Fellow at MIT. Her master's thesis outlined an innovative strategy for empowering employees in improving factory operations, a basis for her work as a manufacturing engineer at GM's Harrison Radiator and a competitive analysis engineer at A.C. Rochester. After starting a family, Kaliski turned her career attention to public service, organizing and fundraising for student programs in the arts and athletics. In the past decade, she's shifted focus to the college level, pursuing investment opportunities at MIT's Division of Student Life. At Cornell, Kaliski has worked with the ECE Department to establish and organize its Innovation Award Competition. Now entering its fourth year, the competition has funded a number of remarkable student teams, the members of which are well underway in their own impactful careers.

ANDY KESSLER
(Cornell B.S. '80 EE)

AUTHOR AND WRITER

75 Catalpa Drive
Atherton, CA 94027-2167
650 207-1801
akessler@velcap.com

Andy Kessler is the author of several books on technology and markets, including *Wall Street Meat* and *How We Got Here*. Cornell and University of Illinois Electrical Engineering degrees led to designing chips at Bell Labs. Kessler was an Institutional Investor All Star analyst for PaineWebber and Morgan Stanley and was a founder of the hedge fund Velocity Capital. He writes for the *Wall Street Journal* op-ed page, *The New York Times*, *Forbes*, *The Weekly Standard*, and *New York Magazine* and has appeared on CNBC, Yahoo Finance Tech Ticker, CNN, and Fox.

BRIAN KUSHNER
(Cornell B.S. '78 EP, M.S. '80 AP, Ph.D. '84)

FTI CONSULTING

2001 Ross Avenue
Suite 400
Dallas, TX 75201
512 329-5156
brian.kushner@fticonsulting.com

Brian Kushner is a senior managing director at FTI Consulting, specializing in interim/turnaround management. A serial entrepreneur, Kushner was co-founder of CXO (FTI acquired CXO in December 2008) and founder of its predecessor, BGKC LLC. Kushner is also the CEO of Sage Telecom; previously he was CEO of Pacific Crossing Limited, a trans-Pacific carrier. Since 1999, Kushner and his CXO partners have bought or sold 15 companies, and he has served as CEO or chief restructuring officer at more than 20 companies. Previously, Kushner founded Recompute and helped restructure MCC and BSG under BGKC. From 1982 to 1992, Kushner was with BDM International, a defense systems integration firm, where he was responsible for troubled projects, certain classified programs, and most DARPA-related business.

AREF H. LAHHAM
(Cornell M.Eng. '86 CEE)

ORION CAPITAL MANAGERS

2 Cavendish Square
London W1G 0PD
+44 20 7199 2001
alahham@orioncapman.com

Aref Lahham is a Managing Director and founding Partner of Orion Capital Managers, which has invested over €10 billion over the last 16 years. Lahham serves on the Funds' Investment Committee and is Chief Investment Officer, setting the strategy and leading the Funds' acquisition teams and activities as well as directing asset management activities on a significant number of Fund investments. Lahham has 30 years of real estate investment and development experience in the United States and Europe. He has a BSc in Engineering from Purdue University, Masters of Engineering in Civil Engineering from Cornell University and an M.B.A. from INSEAD.

DR. MARCUS H. LOO
(Cornell B.S. '77 EE,
MD '81 (Weill))

WEILL MEDICAL COLLEGE OF CORNELL / NEW YORK PRESBYTERIAN HOSPITAL

10 Meadow Road
Scarsdale, NY 10583
Phone: 212 925-8388 (office)
Fax: 212 941-7426
Cell: 917-968-5129

Marcus H. Loo M.D. is clinical professor of urology at Weill Medical College of Cornell University and attending urologist at New York Presbyterian Hospital. He is trustee emeritus and a presidential councilor of Cornell University. He serves on the Technology Transfer Advisory Committee as well as on the Advisory Council of the McGovern Center for Venture Development in the Life Sciences. Dr. Loo is on the Advisory Board of the Cayuga Venture Fund and has served on the Life Sciences Advisory Committee. He majored in electrical engineering. His daughter Courtney is Cornell '16.

JONATHAN M. LUDWIG
(Cornell B.S. '03 CS/ECE)

BARCLAYS CAPITAL

58 West 58th St.
Apt. 4E
New York, NY 10019
JLudwig@chicagobooth.edu

Jonathan Ludwig is currently a Vice President in Barclays' Distressed and Special Situations Trading group, a part of the Fixed Income Credit Trading business. Ludwig is responsible for analyzing distressed, stressed, or recovering credits and other special situations across sectors and across the entire capital structure. He was previously an investment banker at Evercore and Bank of America Merrill Lynch, advising on restructuring and capital raising transactions. Example transactions include the merger of Verso Paper and NewPage Holdings and related exchange offers, Sara Lee's corporate reorganization and the spin-off of D.E. Master Blenders 1753, and CorEnergy's conversion to an infrastructure REIT. Before that, Ludwig also traded a variety of securitized products on Citi's Mortgage Trading desk. He has a B.S. (cum laude) from Cornell University, where he majored in Computer Science and Electrical Engineering, and an M.B.A. (with Honors) from the University of Chicago Booth School of Business.

IVAN L. LUSTIG
(Cornell B.S. '80 ORE,
M. Eng. '81, M.B.A. '82)

DOVER MADISON CAPITAL MANAGEMENT

489 Fifth Avenue
New York, NY 10017
Office: 212.400.2674
Cell: 917.714.7772
ivan.lustig@dovermadison.com

Ivan Lustig is the managing partner of Dover Madison Capital Management, a private equity firm focused on mid-market North American companies. Lustig has more than 30 years of experience as an investment banker specializing in mergers and acquisitions and financings having worked on over \$200 billion of transactions. He was most recently a senior managing director at Duff & Phelps and was, prior to that, head of M&A in the Americas for The Royal Bank of Scotland, and head of M&A in North America for predecessor firm ABN AMRO. Lustig graduated from Cornell University as a Knight Scholar. Lustig is an advisory board member of Cornell's Financial Engineering Graduate Program and a board member of ARIF, a private foundation. Lustig is also co-chairman of the Museum of the Moving Image.

JAMES M. MCCORMICK
(Cornell B.S. '69 ORE,
M.Eng. '70)

**FIRST MANHATTAN
CONSULTING GROUP**

90 Park Avenue
New York, NY 10016
212 455-9102
jmcormick@fmcg.com

Jim McCormick is CEO and founder of FMCG. During Jim's 30+ years of consulting to financial institutions, he has assembled expertise ranging from strategy to marketing to acquisitions. Along the way, he has authored over 40 white papers on banking. McCormick has given testimony to the U.S. Senate Banking Committee and has appeared over 200 times as a speaker before various industry groups. He has appeared on several television venues and been quoted in publications including The Wall Street Journal, The New York Times, Institutional Investor, The Economist, Forbes, and Fortune. Jim contributes to education as a Board member of Mercy College, the Engineering College Council at Cornell University, and previously as a national board member of Teach for America. He also serves on the Board of several venture companies.

**DONALD E. MOREL, JR.,
PH.D.**
(Cornell M.S. '83 MSE, Ph.D.
'84)

**WEST PHARMACEUTI-
CAL SERVICES, INC.
(RETIRED)**

Progenitor Capital Partners LLC
79 East Ashland Street
Doylestown, PA 18901
(610) 202-5339
dmorel22@verizon.net

Dr. Morel recently retired as Chief Executive Officer of West Pharmaceutical Services, Inc., where he served in that position since April 2002 and Chairman of the Board since March 2003. He joined West in 1992 as Director of Research and Development and was promoted to Vice President R&D in 1993. In this role, Dr. Morel spearheaded West's efforts to develop novel and proprietary drug delivery technologies. In 1998 he was promoted to Group President, heading sales, marketing and operations of West's medical device and pharmaceutical components business globally. In 1999, Dr. Morel became President of the new Drug Delivery Division and in April 2001, President and Chief Operating Officer. His aerospace work in the 1980s resulted in his selection as a finalist for assignment as a NASA Mission Specialist in the Astronaut Office in 1989. Dr. Morel holds a B.S. degree in Engineering from Lafayette College, an M.S. in Materials Science and a Ph.D. in Materials Science and Veterinary Medicine from Cornell University.

HOWARD L. MORGAN
(Cornell Ph.D. '68 OR)

**PARTNER, FIRST
ROUND CAPITAL**

60 Madison Ave., Suite 1001
New York NY 10010
(212) 201-0311 (office)
(610) 659-3255 (cell)
howard@firstround.com

Howard Morgan is co-founder and partner in First Round Capital, a seed stage venture capital investment firm specializing in information technologies. He began working with Idealab in 1996 and serves on its board. He has more than 30 years of experience with more than 200 high-tech entrepreneurial ventures. He serves on the boards of Augury, Kentik.com, Memsql, Gust and other private companies. After receiving his Ph.D., Morgan joined the Cornell faculty as assistant professor of operations research and then professor of decision sciences at the Wharton School of the University of Pennsylvania and professor of computer science at the Moore School for almost 15 years. He is a trustee of Cold Spring Harbor Labs and Math For America and is a respected author. Morgan received his B.S. from the City University of New York in 1965.

KYLE M. MORK
(Cornell B.S. '02 ChE)

**PRESIDENT
ENERGY CORPORATION
OF AMERICA**

500 Corporate Landing
Charleston, WV 25311
304.925.6100
kmork@eca.com

Kyle Mork is the President of Energy Corporation of America and a Director of the company. He began his career with Halliburton Energy Services as a completions engineer before moving to ECA as a drilling engineer in the Houston, Texas office. Since that time he has held various positions throughout the organization focused on operations and management. He has a Bachelor of Science degree in Chemical Engineering from Cornell University, an MBA from the Kellogg School of Management at Northwestern University, and has taken masters courses at the University of Southern California in Petroleum Engineering. Mork is Chairman of the Board of Directors for the Clay Center for the Arts and Sciences and also serves on the non-profit ECA Foundation Board of Directors, the USC Mork Family Department Advisory Board, the Cornell Engineering College Council, and the Cornell Football Association Board. Mork is also active in the Young Presidents' Organization. He and his wife Kirsten live in Charleston, West Virginia with their three children.

**JOHN P. NEAFSEY**

(Cornell B.M.E. '62,
M.B.A. '63)

JN ASSOCIATES

13 Valley Road
Norwalk, CT 06854
203 831-8454
jpnwilson@aol.com

John P. Neafsey is president of JN Associates, an investment consulting firm. Neafsey serves as chairman of Alliance Resources. He previously served as president and CEO of Greenwich Capital Markets and, prior to joining Greenwich, was an executive vice president of Sun Company. He also was chief financial officer and a member of the Sun board and subsidiary companies. He was twice selected by Institutional Investor as the outstanding oil industry CFO. He is a trustee emeritus and a presidential counselor of Cornell University. Neafsey was first elected a trustee in 1984, served for 16 years, and chaired several committees. He is on the Johnson School Advisory Council and is an overseer at Weill Cornell Medical College, serving on the budget and finance committee. He is a director and president of The Cornell Club of New York City.

**RICHARD T. ONG**

(Cornell B.S. '86 CEE)

RRJ GROUP

802-804 Man Yee Building
68 Des Voeux Road,
Central
Hong Kong
(203) 869-1458
richard.ong@rrjcap.com

Richard Ong is the founder, Chairman and CEO of the RRJ Group. RRJ is a leading private equity firm in Asia with approximately \$6 billion under management. Prior to 2008, Ong had a 15-year career with Goldman Sachs. Based in Beijing, he was Co-Head of the Asian Ex-Japan Investment Banking Division. Ong became a Managing Director of Goldman Sachs in 1996 and a Partner in 2000. He was also a member of the Goldman Sachs Asian Management Committee. Prior to his transfer to Beijing, Ong was the Co-President of Goldman Sachs Singapore. He has also had experience working in Hong Kong, and prior to joining Goldman Sachs, worked five years in New York City for Chase Manhattan Bank and Prudential-Bache Capital Funding. Richard graduated from Cornell University in 1986 with a Bachelor of Science and the University of Chicago in 1989 with a Masters of Business Administration.

**JAMES RICOTTA**

(Cornell B.S. '81 EE)

SIGHTPATH CAPITAL

5 Concord Rd.
Weston, MA 02493
phone 781 797-0331
fax 781 790-1022
jimricotta@gmail.com

James Ricotta has more than 25 years of experience in the information technology field as CEO, board member, and Fortune 500 division GM. He is president and CEO at SightPath Capital. Previously, he was CEO and president at DataPower Technology, Azuki Systems, and SightPath, Inc. He has also been a vice president and business unit general manager at IBM and Cisco Systems. His functional experience includes engineering, product management, marketing, sales, and general management. He has built management teams, brought products to market, acquired marquee customers, and enjoys a long track record of growth within his positions. He has successfully built and sold companies in emerging markets to Cisco and IBM for \$800 million and \$100 million respectively. He holds an MBA from Harvard and received an Emmy Award in 1992 for his work on Avid Technology's digital video editing system.

**SUSIE KIM RILEY**

(B.S. '87 ECE)

AQUTO

375 Highland St.
Weston MA 02493
508 4944790
sriley@aquoto.com

Susie Kim Riley is a serial entrepreneur. With multiple successful exits behind her, her latest venture is Aquoto, where as the Founder and CEO, she is changing the way consumers connect via mobile by enabling users to use apps, view videos and other content without impacting their data plans. Aquoto's mission is to democratize mobile connectivity worldwide by making it more accessible and affordable through data sponsorships. Prior to Aquoto, Riley was the CMO of Tekelec (acquired by Oracle) where she was responsible for strategy and technology direction. Riley came to Tekelec through the acquisition of Camiant, where as the Founder and CTO, she pioneered the field of policy control – the technology used to manage all cellular data connections on smartphones. Riley has held senior leadership positions at a number of other successful startup companies including Broadband Access Systems, Maker Communications and Proteon. She holds a bachelor of science in Electrical Engineering from Cornell University, and has authored 50 issued patents.

**DANIEL S. SIMPKINS**

**HILLCREST
LABORATORIES INC.**

15245 Shady Grove Rd,
Ste 400
Rockville, MD 20850
240 386-0600, x6951
dan@hillcrestlabs.com

Dan Simpkins is an experienced entrepreneur who founded and led two successful startup companies: SALIX Technologies, a telecommunications pioneer; and Hillcrest Labs, a consumer electronics innovator. As CEO of Hillcrest Labs, which he founded in 2001, Simpkins has guided the company to introduce groundbreaking user experiences for television, and to develop exceptional expertise in sensors. Before founding Hillcrest, he led SALIX Technologies for over a decade, managing the company from inception to its becoming a leader in VoIP, and then to its acquisition by Tellabs, Inc. for \$300 million. Simpkins is both a business and technical leader: he teaches, writes about, and speaks about entrepreneurship, and he holds 19 U.S. patents in the fields of interactive television and telecommunications. In addition to his business activities, he is a member of the board and Executive Committee of the Charles E. Smith Jewish Day School, a member of the Board of Trustees of his synagogue, Kol Shalom, and a member of the administrative board of the Cornell University Council.

rsmith@
vistaequitypartners.com

Robert F. Smith is the Founder, Chairman and CEO of Vista Equity Partners. Vista, founded in 2000, is a U.S.-based investment firm with more than \$26 billion in cumulative capital commitments, and oversees a portfolio of over 30 software companies that employ over 40,000 employees worldwide. In 2016, Vista was named the world's #1 performing private equity firm, according to the HEC-Dow Jones annual ranking. Prior to Vista, Smith was Co-Head of Enterprise Systems and Storage for Goldman Sachs and he also worked at Kraft General Foods, where he earned four patents. Smith earned his B.S. in Chemical Engineering from Cornell University, where the School of Chemical and Biomolecular Engineering now bears his name. He also earned an MBA with honors from Columbia Business School. He serves as the Chairman of Carnegie Hall, Founding Director and President of the Fund II Foundation, Chairman of Robert F. Kennedy Human Rights, Member of the Board of Overseers of Columbia Business School, and as a Member of the Cornell Engineering College Council, among others.

**WOOLBRIGHT
DEVELOPMENT, INC**

2240 NW 19th Street,
Suite 801
Boca Raton, FL 33431
561-989-2277
dstiller@woolbright.net

Duane J. Stiller is president of Woolbright Development. He founded Woolbright in 1985, establishing industry knowledge, personal service, and innovation as core values. Stiller built the company into one of the fastest growing retail real estate companies in Florida. Historically, Woolbright's typical projects consisted of redevelopments of existing shopping centers in metro areas. Recently, ground-up developments have been added and this successful combination has helped make Woolbright one of the largest acquirers, managers, and owners of retail real estate in Florida. Stiller began his career with Traveler's Asset Management International Corporation as director of property management. He also co-founded The Sterling Companies in 1993. Stiller is a licensed real estate broker and licensed general contractor.

JOHN A. SWANSON
(Cornell '61, B.M.E. '62,
M.M.E. '63)

ANSYS, INC. (RETIRED)

1551 Saint James Circle
The Villages, FL 32162-7648

352-454-4741 (cell)
john.swanson@ansys.com

John A. Swanson is the founder of ANSYS, served as president for more than 20 years, and was its chief technologist until his retirement in 1999. Swanson is internationally recognized as an authority and innovator in the development and application of finite-element methods to engineering. He founded Swanson Analysis Systems (now ANSYS) in 1970 to develop, support, and market the ANSYS program, a finite-element software code widely used in the computer-aided engineering industry. Prior to that, Swanson was employed at Westinghouse Astronuclear Laboratory. In 2009, he was elected a member of the National Academy of Engineering. He was awarded the John Fritz Medal in 2004. He is a Board of Trustees Member Emeritus of the University of Pittsburgh, and served 12 years on the Board of Trustees of Washington and Jefferson College. He is currently active in Renewable Energy, with a focus on PV Solar Power. He does public lectures at Universities and community gatherings, as well as consulting on residential and commercial PV design.

**JOSEPH THANHAUSER,

40°45'36.7" -73°58'48.1"
Thanhauser@byrnam-wood.com

Joseph Thanhauser is the chairman and founder of Byrnam Wood, LLC, a boutique real estate investment, consulting and brokerage firm based in New York City. The firm represents clients that lease, buy, or have buildings developed for their own occupancy, in New York and globally. Their specialty has been the conception and negotiation of large commercial lease transactions. Prior to the formation of Byrnam Wood, he was a partner in the development of hotel and office properties in Philadelphia, PA.; Greenwich, CT.; Baltimore, MD.; Buffalo, NY and elsewhere in the U.S. His earliest employment after earning an MBA at Columbia University Graduate School of Business included several years working for the Uris brothers (Uris Buildings Corp.) and at Tishman Realty (now Tishman Speyer Properties). He serves on the Cornell University Council and over the past five years has worked with fellow Cornellian John Foote on the design, creation and funding of a statue of Touchdown (the Bear, Cornell's unofficial mascot) to be unveiled at the corner of Campus and Garden at Homecoming 2015.

MOLLY TSCHANG

ABELLA CONSULTING

133 West 22nd Street, 4B
New York, NY 10011
(650) 245-2211
mollytschang@gmail.com

Molly Tschang founded Abella Consulting to help senior executives lead as one cohesive unit, committed to each other's success as much as their own. She guides management to get the most from themselves and their people to achieve superior results: improved profitability, stronger executive performance and empowered workforce. Molly's 25+ years as an operating executive include senior roles at Cisco, U.S. Filter, Deloitte and IBM. In integrating 80+ acquisitions from start-ups to global corporate divisions, she has coached executives to sustain excellence during significant transitions. As management and consultant, Tschang has navigated diverse contexts and people dynamics, from high growth M&A as Vice President at U.S. Filter to global NGO as Executive Director at NetHope, where she secured a \$41 million Microsoft grant. Tschang is ORSC-certified (Organization & Relationship Systems Coaching), and holds a B.S. in chemical engineering from Cornell University and an MBA from UCLA.

ANDREW VERHALEN
(B.S. '78 EE, M.Eng./
M.B.A. '81)

MATRIX PARTNERS

Suite 201
Palo Alto, CA 94301
650-798-1600 (office)
650-798-1601 (fax)
averhalen@matrixpartners.com

Andrew W. Verhalen joined Matrix Partners in 1992. Since then he has led Matrix's involvement in dozens of successful technology companies, including Phone.com (PHCM), which went public in 1999; SiTera, which sold to Vitesse; and Alteon Websystems (ATON), which listed its shares on Nasdaq before being acquired by Nortel Networks. Before joining Matrix, Andy helped start Grand Junction Networks, an Ethernet switch business that is now a major division at Cisco. Previously he worked for 3Com, where he built a new division focused on network adapters and hubs. Prior to that, Andy managed marketing for Intel's flagship microprocessor, the 8086. Today he is working with several young companies: Ambarella (AMBA) provides HD video and image processing solutions; Cyphort secures enterprises against advanced cyber-attacks; Panzura provides enterprise cloud storage controllers; Sila Nanotechnologies is developing advanced battery materials; and SpiderCloud Wireless makes enterprise mobile broadband systems. Andrew received a B.S. in Electrical Engineering, M.Eng. in Electrical Engineering and M.B.A. all from Cornell.

LISA L. WALKER
(B.S. ChE '86)

MOMENTA PHARMACEUTICALS, INC.

675 West Kendall Street
Cambridge, MA 02142
617 395-5158
Craig_wheeler@comcast.net

Craig A. Wheeler joined Momenta Pharmaceuticals, Inc. as Chief Executive Officer in September 2006. He also serves as a member of the company's board of directors. Momenta Pharmaceuticals is a biotechnology company specializing in the detailed characterization and engineering of complex drugs. Under Wheeler's leadership, Momenta and its collaboration partner Sandoz received FDA approval for the first ever generic Lovenox, and more recently generic Copaxone. Prior to Momenta, Wheeler worked at Chiron Corporation as President, Chiron BioPharmaceuticals, which had products treating cancer, cystic fibrosis, and multiple sclerosis. Wheeler was also a senior member of The Boston Consulting Group's health care practice, worked for Merck's MSDRL research unit as a senior engineer, and at Hybritech as a financial analyst. He is Chairman of the Board of Directors of GPhA and in 2011 was an E&Y Entrepreneur of the Year Regional Award winner. Previously, he was Chairman of the Board of Avanir Pharmaceuticals. He holds a B.S. and an M.S. degree in chemical engineering from Cornell University, and an M.B.A. from the Wharton School of the University of Pennsylvania.

ERIC YOUNG
(Cornell B.S. '78 ME)

CANAAN PARTNERS

2765 Sand Hill Road
Menlo Park, CA 94025
650 854-8092
eyoung@canaan.com

Eric Young co-founded Canaan Partners, an early stage venture capital investment firm, in 1987. Since then, Canaan has raised \$4.2 billion in capital, making startup investments in over 430 newly formed companies that span the information technology and healthcare industries. Young led Canaan's investments in IT-based companies such as Copper Mountain Networks, Ebates, Enpirion, International Network Services, Kalpana, Lanclope, ONI Systems, SandForce, Spectrian and Visigenic Software. Before starting Canaan, Young was a SVP at GE Venture Capital, and held positions in other GE operating businesses. An active proponent of developing skills in young entrepreneurs, Young serves as an Advisor to several Cornell-affiliated groups, including Entrepreneurship at Cornell, Cornell Silicon Valley, Red Bear Angels, Thayer Ventures, CoVenture and BR Venture Fund. He earned a B.S. in mechanical engineering from Cornell University and an MBA from Northwestern University.

AKSTON BIOSCIENCES CORPORATION

72 Nanepashemet St.
Marblehead, MA 01945
857 389-2273
todd@toddzion.com

Todd C. Zion, Ph.D., is the Co-founder, President and CEO of Akston Biosciences Corporation, which is developing an injectable therapy for antigen-specific prevention of Type 1 Diabetes. Prior to starting Akston Biosciences, Zion founded SmartCells, Inc. to develop SmartInsulin, the first glucose-regulated, injectable formulation for treating diabetes. As SmartCells' President and CEO, Zion was instrumental in raising \$10 million in equity financing and \$10 million in grants to support research and clinical development. Merck and Co. acquired SmartCells for over \$500 million in cash and clinical milestone payments. Prior to enrolling at MIT, he worked as a polymer development engineer at Eastman Kodak. Zion graduated from Cornell University summa cum laude with a B.S. in Chemical Engineering. He is currently an Associate Director at MIT's Venture Mentoring Service and also serves on a number of advisory boards including those of the Beth Israel Deaconess Medical Center, Joslin Diabetes Center, and the Cornell Engineering College Council. He is also active in his community serving as the head of Devereux School and President of Dollars for Scholars.
