Project GROVER – going live

Welcome. The Future Of Libraries Is OPEN!
Collection Development

Implementing a discipline-team-based collection development model for CUL

planned launch: July 1, 2020
Collection Development

Goals for the change:

• streamline collection development processes
• reduce the complexity of fund management
• optimize use of CUL resources, including materials budget and staff time in the collection building and liaison arenas
• increase agility to respond to future faculty and student needs
Collection Development

Implementation Team

Kizer Walker (chair), Michael Cook, Ann Crowley, Greg Green, Sarah Kennedy, Maureen Morris, Jessica Withers (administrative coordinator), Kathy Burkgren (University Organizational Development & Talent Management)

LEG sponsors: Xin Li and Diananne Mizzy
Collection Development

Four Discipline Teams

All unrestricted funds pooled to create one fund for each Team.
Collection Development

Three roles for subject librarians

Collection Development Lead
Core Team Member
Discipline Team Affiliate
Library Strategic Priorities

Gerald Beasley
Cornell University Library

LTS All Staff Meeting
January 16, 2020
Library Strategic Priorities

- Student Experience
- Research Life Cycle
- Global Impact
- Diversity and Inclusion
- Work Prioritization
• Student Experience

The Library will focus on providing an outstanding experience for all students who access its amazing resources, whether physically or online.
The Library will seek to offer valuable services to Cornell researchers in all disciplines at every stage of their research, from initiation to dissemination.
The Library will develop its unique range of services and partnerships in support of Cornell’s global mission to make a difference in the world.
Library Strategic Priorities

- Diversity and Inclusion

The Library will benefit from an expanding range of diversity and inclusion programs to develop a sense of belonging among all staff, faculty and students.
The Library will take advantage of new opportunities—and meet new challenges—by thinking strategically about where to focus its tremendous level of staff expertise and passionate commitment.
Group Discussion

• Are these the right strategic priorities?
• Are they correctly worded?
• Do they connect with the work you do?
• What are the valuable skills among LTS staff that contribute to the CUL priorities?
• How do we know LTS is doing a good job from users’ perspective?
