Academic information for Exchange Students

Please see the full academic offer and language of instruction on the IE University website: Academic Programs

- **Madrid Campus:**

  Business Administration 3rd & 4th year courses / Law / International Relations

- **Segovia Campus:**

  Business Administration 1st & 2nd year courses / Law 1st & 2nd year courses / International Relations 1st & 2nd year courses/ Communication / Psychology /Architecture (only in First semester)

Course Restrictions

Coordinators are highly advised to nominate their students according to their study field at Home University. During the enrollment process, students are required to register in courses from their area, being able to take some credits from a different study field depending on availability (there might be a higher possibility of timetable clashes when choosing courses from different areas).

Entry Requirements

Exchange students should be in good academic standing in their own university.

Language Requirements

IE University requires all applicants to demonstrate competence in the English language by providing one of the following certificates:

  TOEFL 80 (iBT) / IELTS 6.5 / CAE / CPE

*If English is the student’s native language it is not necessary to provide a certificate.

**If English is the student’s language of instruction at their home institution they do not need to provide an official certificate. A confirmation letter from their home institution will be accepted instead.

For students wishing to take courses in Spanish, they need to prove a minimum level of B2 CEFR.

IE University cannot guarantee enrollment in any course. Enrollment is often subject to class size limitations.
IE University – Amigo Program

It’s a service which offers incoming students the company of our volunteer student buddies. In this program, our volunteers personally show the incoming students the ropes around campus and local city life during the first month of their experience at IE University. Detailed information will be provided during the online application process where students will be able to choose to be part of this useful resource.
