VISAS

Please check [here](http://www.ulc.manchester.ac.uk/) for up to date information and requirements

Please note, students are responsible for applying for their visas and must ensure that they obtain the necessary visas or entry permits BEFORE they enter the UK. Please contact the relevant consulate/embassy for further details. Visas can take several weeks to process so always confirm the time it may take with the consulate or embassy well in advance of your travel dates. It is a good idea to check the consulate’s website first to see what documents are needed to apply for your visa. Students, who are enrolled on a programme of study which is 6 months or less are advised to apply for **short term study visa**.

ACCOMMODATION, HEALTH & OTHER EXPENSES

ACCOMMODATION

The University Accommodation Office is able to allocate accommodation to students studying at MBS only from halls featured in the Student Accommodation booklet.

Students can apply online for accommodation only after an acceptance letter from Alliance Manchester Business School has been issued with their ID number. **It is essential that once an online accommodation application has been submitted that you check emails on a regular basis as an offer is only held for a very short period of time.** Students will not be able to choose a specific hall or the type of accommodation but can indicate a preference between a self-catered or a catered hall. Students should bear in mind that the cost could vary from between £60 - £100 per week. The first semester contract terminates at the end of January and the full cost for the semester will need to be paid even if a student is permitted to finish at MBS in December. The second semester contract terminates in mid-June.

If you wish to apply for university accommodation, you should do this as soon as possible. Your application must be submitted online directly to the University of Manchester Accommodation Office, once you receive your official acceptance letter with your university User ID (details will be provided in your official acceptance letter).

You will be contacted by the Accommodation Office towards the end of July/beginning of August (semester 1 students) or in the beginning of January (if you are coming in semester 2) with information on your accommodation allocation. Please note that the Alliance MBS International Team is unable to intervene in any accommodation issues. Students may organise their own private accommodation. [Manchester Student Homes](http://www.ulc.manchester.ac.uk/) is a useful contact.
HEALTH

Free health treatment is available on the UK’s National Health Service (NHS) to all international students studying here for longer than six months, as well as to all students from EU countries. Students studying here for less than six months are advised to take out medical insurance before departure. This could be part of a travel policy that we would also recommend is arranged pre-arrival.

Further information on health care and useful information for all international students can be found at http://www.manchester.ac.uk/international/supportservices/arrival/

Prescriptions for medicine issued by a doctor incur a charge, which is currently about £8.05 per item.
