

The Student Library Advisory Council will meet on Monday, September 20 from 5:00-6:30 pm in 106-G Olin Library. Food and beverages will be provided. The agenda includes:

1) Welcome and Introductions (10 min.)

2) Library Strategic Planning Unit Library Reviews (30 min.)

Janet McCue, Associate University Librarian for Teaching, Research, Outreach, and Learning Services, will provide an overview and status report on the unit library reviews and consolidations covering the Physical Sciences, Engineering, ILR, Management, Hotel, Veterinary Sciences, Entomology,, and Fine Arts Library. Leah Solla, Coordinator, Physical Sciences Library, will report in greater detail about the transition of the unit from a physical to a virtual branch. Steven Rockey, Director, Engineering and Mathematics Libraries, will report on the planning for the implementation of the three key priorities approved by the Engineering Library Review Committee and the Provost last spring--enhancing the electronic collection, providing effective study space and computer access, and expanding the role of librarians—and the relocation of the unit's physical collection. For background see [Changes to the Engineering Library](#).

3) Olin Library Fire Safety Improvements Project (15 min.)

Kornelia Tancheva, Director of Olin /Uris Libraries, will report on the status of Olin Library Fire Safety Improvements Project and the expected impact over the course of this academic year. For background see the [Olin Library Fire Safety Improvements Project](#) blog.

4) Confidentiality issues in the Library catalog and Borrow Direct (15 min.)

Ed Weissman, Assistant to the University Librarian, will report on confidentiality issues in the Library catalog and the Borrow Direct system and what the Library is doing to address them.

5) Your issues and how the library can better assist you (20 min.)

An opportunity for you to ask questions, offer suggestions, and raise issues of concern about the Cornell University Library.

If there are issues you would like to address in greater depth at this or future meetings, please let us know and we will provide time on the agenda.
