

Student Library Advisory Council Minutes

February 1, 2016

5:00-6:30pm

703 Olin Library

1. Kent Kleinman, the dean of the AAP College presented the current plans for the new Fine Arts Library

Some of the feedback included:

- The user seats will probably be not enough (the place will be overrun by users, esp. graduate students)
 - Consider double screens for the computers
 - Consider standing desks
 - Chairs to rest in
 - There were also questions about the grated floors
2. Issues and Concerns
 - What are the services that the library would be offering for the new College of Business?
 - Bloomberg terminals at Mann might be going away
 - Are individual electronic books catalogued?
 - Subject headings should be browsable
 - The BD button isn't working
 - Lynn Thitchter is great!
 - What is the locked carrel process?
 - Consider text messages re: short term loans
