8-22 The syllabi for everyone, and its goal is to help you think about groups and good ideas. The more you do before Thursday, the more effective it will be.

8-23 The readings for Thursday (08-30) are up!

9-06 Project proposals! Your project proposals are due on Tuesday 9-11-07 according to the syllabus. The syllabus outlines what the proposal should contain. I hope that today's mentor-meeting helped you to focus even more on what your group is actually doing and how you will do it. The process of starting a project is by definition ambiguous and stressful - Don't fret! You're almost there! - hb.
