CALS International Exchange Program

THE CALS INTERNATIONAL EXCHANGE PROGRAM

The CALS International Exchange Program is comprised of unique, one-to-one agreements with prestigious universities around the world. For a semester or a year, CALS undergraduate students attend one of our partner universities and in exchange, their students come to study at CALS. Nearly all partner universities in non-English speaking countries offer a wide range of courses taught in English. Some of our agreements are department-specific, and as a result, are limited to certain majors.

The CALS Exchange Program is different from the Office of Global Learning (former Cornell Abroad) since it is administered through the CALS Exchange Coordinator (140 Roberts Hall). CALS students pay Cornell tuition with no other administrative fees. This is particularly beneficial to New York State residents due to Cornell's tuition structure. Additional expenses (i.e. housing, visa fees, airfare, food, etc.) are the responsibility of the student.

- Classes taught in English at many partner universities
- Pay your CALS tuition with no added administrative fees
- Take courses for your major, minor, or distribution requirements
- Earn Cornell credit—not transfer credit
- Learn a new language
- Participate in unique programs—many established by Cornell faculty
- Financial aid travels with you!
- No financial aid? Scholarships and stipends available at some locations!
