Old announcements

- **11-6** The practicum for Thursday, November 8 is up.
- **11-2W**hen you're pilot testing, don't just pilot the interface: you're also going to want to pilot the entire experimental procedure. This came up in a group meeting today and seemed important enough to share.
- **11-2J**ust a reminder that we'll take attendance Tuesday since we have Jofish coming in as a guest speaker.
- **11-2R**eadings for Thursday, 11-8, mining social data, are posted.
- **10-31 (updated 4:30pm 10-31) R**eadings for Tuesday 11-6, Evaluating non-task-focused HCI, are posted. Guest Speaker: Jofish Kaye.
- **10-29 R**eadings for Thursday 11-1, Games, are posted. Sorry about the late posting.
- **10-27 P**reliminary indications are that, in general, the progress reports look good overall. Thanks for that. You'll be getting them back next week during project group meeting times.
- **10-26 R**eadings for Tuesday 10-30, Ubiquitous computing, are posted.
- **10-25 D**esign for children 640 & 440 practicum, details here.
- **10-23 P**roject progress report. See the syllabus for more information.
- **10-23 S**ix Degrees of separation screening. More information here.
- **10-22 M**arc Smith. More information here.
- **10-19 I**mportant! If you've turned in your IRB application, you can go ahead and start collecting data.
- **10-17 R**eadings for Tuesday 10-23 on CMC, HCI, and kids, are posted.
- **10-13 W**e've added a page for Public Questions about the class, assignments, etc.
- **10-11 R**eadings for 10-16, "Evaluating designs (cheaply)", are posted.
- **10-9 P**osted a couple of jobs, and a few interesting readings/links.

**8-22** The syllabus and draft reading list are posted.

**9-06 H**uman Subjects Training vs. Application

- The human subjects application is due at the same time as the project proposal: 09-1107. Get the application form here: [http://w ww.irb.cornell.edu/forms/](http://www.irb.cornell.edu/forms/)
- 9-06 Project proposals! Your project proposals are due on Tuesday 9-11-07 according to the syllabus. The syllabus outlines what the proposal should contain. I hope that today's mentor-meeting helped you to focus even more on what your group is actually doing and how you will do it. The process of starting a project is by definition ambiguous and stressful - Don't fret! You're almost there! - hb.
- 9-06 Project proposals! You should form tentative groups before Tuesday.
- 8-30 You should form tentative groups before Tuesday.
- 8-29 Readings for Tuesday, 9-04, are up.
- 8-27 Remember to submit "two" ideas to the practicum b-board for Thursday.
- 8-27 The readings for Thursday (08-30) are up!
- 8-23 Next Thursday's practicum is for everyone, and its goal is to help you think about groups and good ideas. The more you do before Thursday, the more effective it will be.
- 8-22 The syllabus and draft reading list are posted.

**9-06 P**lan for Thursday, October 18, posted!

**9-13 R**eadings for 10-18, "Design for personal expression", are posted.

**9-04 440 practicum on facebook app**

**9-02 T**here are no readings for 10-9 (fall break) or 10-11 (re-orientation to the class + group time).

**9-27 P**ublic Questions about the class, assignments, etc.

**9-25 T**hink about attending The Information Science Breakfast Series: Fridays at 10-11am at 301 College Avenue. For more information go here: [http://www.cs.cornell.edu/~ql/is_breakfast_fall07.htm](http://www.cs.cornell.edu/~ql/is_breakfast_fall07.htm)

**9-24 P**osted some sample IRB forms.

**9-23 R**eadings for 9-27, "persuasive computers", are posted.

**9-20 C**onfluence this weekend.

**9-19 R**eadings for 9-18 on learning from users are posted.

**9-19 R**eadings for 9-18, "Design for personal expression", are posted.

**9-18 R**eadings for 9-19 on developing a facebook app prototype/proposal is posted.

**9-17 R**eadings for 9-20, using theory with, in, and for design, are posted. Sorry about the delay; there was some downtime for Confluence this weekend.

**9-16 P**actorium for Thursday, October 18, posted!

**9-13 R**eadings for 10-18, "Design for personal expression", are posted.

**9-12 T**he practicum on developing a facebook app prototype/proposal is posted.

**9-11 R**eadings for 10-11, "Networks, social and otherwise", are posted.

**9-10 R**eadings for 10-10, "Evaluating HCI and design research", are posted.

**9-9 P**osted a couple of jobs, and a few interesting readings/links.

**9-8 R**eadings for 10-11, "Evaluating designs (cheaply)", are posted.

**9-8 R**eadings for 10-11, "Networks, social and otherwise", are posted.

**9-7 R**eadings for 10-11, "Evaluating HCI and design research", are posted.

**9-6 R**eadings for 10-10, "Networks, social and otherwise", are posted.

**9-5 I**n order to help you focus/start your proposal, there is a template that was used last year. Go to the syllabus and click on the attachments. You should be able to download the template from there in a word document format. It is not obligatory to use this format, but helpful!

**9-4 R**eadings for 10-09, "Evaluating HCI and design research", are posted.

**9-3 R**eadings for 10-08, "Networks, social and otherwise", are posted.

**9-2 R**eadings for 10-07, "Evaluating HCI and design research", are posted.

**9-1 R**eadings for 10-06, "Design for personal expression", are posted.

**9-1 I**mportant! If you've turned in your IRB application, you can go ahead and start collecting data.

**9-1 You do NOT need to wait for an official "go-ahead". Good luck and have fun!**

**9-1 Updates:** someone mailed a few questions about the progress report; answers are here.
