Abbreviations for Captions (For Use in Voyager Holdings Records): APPENDIX A

Harvard University Library originally compiled this list, adding abbreviations to selections from Appendix B of AACR2 (1998 revision). Holdings Statements for Bibliographic Items (ANSI/NISO Z39.71-1999) instructs us to use captions from Appendix B or from other standard lists, or to create them according to the rules of Rules for the Abbreviation of Bibliographic Items (ISO 832: 1994).

To suggest additional caption abbreviations for this list, send an email message to CONSERHOLD-L@cornell.edu. Please include the full form of the caption, your suggested abbreviation, its language, and your email address. If you cannot input diacritics in your message, please spell out the diacritics or at least indicate that its diacritics are omitted. Suggested abbreviations will be verified against standard lists and ISO 832 and added to this document. Thank you.
