CALS International Exchange Program

THE CALS INTERNATIONAL EXCHANGE PROGRAM

The CALS International Exchange Program is comprised of unique, one-to-one agreements with prestigious universities around the world. For a semester or a year, CALS undergraduate students attend one of our partner universities and in exchange, their students come to study at CALS. Nearly all partner universities in non-English speaking countries offer a wide range of courses taught in English. Some of our agreements are department-specific, and as a result, are limited to certain majors.

The CALS Exchange Program is different from the Office of Global Learning (former Cornell Abroad) since it is administered through the CALS Exchange Coordinator (140 Roberts Hall). CALS students pay Cornell tuition with no other administrative fees. This is particularly beneficial to New York State residents due to Cornell's tuition structure. Additional expenses (i.e. housing, visa fees, airfare, food, etc.) are the responsibility of the student.

- Classes taught in English at many partner universities
- Pay your CALS tuition with no added administrative fees
- Take courses for your major, minor, or distribution requirements
- Earn Cornell credit—not transfer credit
- Learn a new language
- Participate in unique programs—many established by Cornell faculty
- Financial aid travels with you!
- No financial aid? Scholarships and stipends available at some locations!

### Notes
- **Guaranteed on-campus housing** ensures that students have a guaranteed place to live, eliminating the need for additional housing arrangements. This can be particularly beneficial for students new to a city, as it provides a predictable and secure living situation.
- **Guaranteed housing placement in Uppsala** indicates that students will have a confirmed housing arrangement before or upon arrival, which can be crucial for ensuring a smooth transition and reducing the stress associated with finding accommodations.

### Learning Opportunities
- **CALS Signature Semester - Pre-vet Track** at Universidad Nacional del Litoral (UNL) offers a specialized track designed to prepare students for a career in pre-veterinary studies, focusing on both Spanish language immersion and relevant academic subjects.
- **International Student Guide** and **Pre-vet Signature Semester** at Harper Adams University provide comprehensive resources and support for international students, ensuring they have the tools needed to succeed both academically and culturally.

### Additional Resources
- **Student Reports** and **Sample Schedules** are available for each location, offering insights from current or recent exchange students and structured schedules to help plan academic and extracurricular activities.

---

**Additional Information**

- **Academic Calendar** for Stanford University in 2018-19 provides important dates and deadlines for students to plan their semesters.
- **Language Proficiency** requirements vary, with some programs requiring a specific level of proficiency in Spanish, ensuring students are prepared for their coursework.
- **Tuition and Financial Aid** details are essential for understanding the cost of study and exploring potential sources of funding.

---

**Contact Information**

- For more information, contact the respective universities or the exchange programs directly to inquire about specific details, opportunities, and available support services.
