CS-parented Fall2020 Auxiliary Course Info

This page complements information already provided by the registrar's course roster for CS.

Notes:

1. [old news - the historically minded can check the diffs]
2. [ditto]
3. [ditto]
4. [ditto]
5. Enrollment restrictions and waitlist rules are described on the CS Enrollment Information Pages.
   a. [old news]
6. Only students registered for the in-person version of a course may attend in-person meetings: "sitting in" or in-person "shopping" is not permitted this semester, due to contact-tracing requirements.
   a. If you have not received a seating assignment, even if you are enrolled in an in-person version, do not come to the physical meeting; attend the online/shopping version instead.
7. No co-enrollment in temporally overlapping courses except:
   a. Overlap of not more than 5 minutes permitted: 3220, 4410, 4411, 6210, 6787
   b. Overlap of any duration permitted: 1110, 1112, 1133, 2024, 2110, 2111, 2112, 2802, 4414, 4740, 4820, 5220, 6120, 6817, 6820, 6830, 7850

   See the appropriate CS enrollment pages --- specifically, the 1000-3000 level page, 4000-5000 level page, or 6000-level page - for definitive course-specific information and instructions on how to co-enroll in overlapping classes if permitted.

Questions about individual course's policies: contact the course instructor(s). The webpages for CS courses have a standard access URL of the form https://cs.cornell.edu/courses/csXXXX/2020fa, where XXXX is the course number (e.g., "1110").
