arXiv news from arXiv.org

### Discover State-of-the-Art Machine Learning Demos on arXiv

We're very excited to announce that Hugging Face has collaborated with arXiv to make papers more accessible, discoverable, and fun. Starting today, Hugging Face Spaces is integrated with arXivLabs through a Demo tab that includes links to demos created by the community or the authors themselves. By going to the Demos tab of your favorite [...]

### Attention Authors: Temporary changes to announcement schedule due to holidays

Planning a submission to arXiv in the next few weeks? Please be aware of the upcoming temporary change to our announcement schedule. This change only affects announcement of new submissions, and the arXiv servers will otherwise remain in operation. We will still be accepting submissions and the arXiv site will continue to be available for [...]

### Celebrate #OAWeek with arXiv!

Updated November 7, 2022: Thank you for celebrating with us! See links to video recordings below. October 24 – 30, 2022 "Open Access Week" is an opportunity for the academic and research community to continue to learn about the potential benefits of Open Access, to share what they've learned with colleagues, and to [...]

### US Labor Day 5 September 2022: Temporary change to article announcement schedule

The mailings and the public availability of new submissions will be deferred for 5 September 2022. Help desk support will not be available on this day. We will still be accepting submissions and the arXiv site will continue to be available for browsing existing papers. 5 September 2022 announcement deferred to the 6th Articles received [...]

### New technical director joins arXiv staff

We are pleased to welcome Charles Frankston as arXiv's new technical director. Frankston brings to arXiv a wealth of expertise in a wide range of platforms, languages, and systems architecture. Formerly a software developer, chief technology officer, and chief privacy officer, he has experience spanning varied industries and settings, from healthcare to wireless and from [...]

### Temporary change to announcement schedule: June 2022

Planning a submission to arXiv in the next few weeks? Please be aware of the upcoming temporary change to our announcement schedule. This change only affects announcement of new submissions, and the arXiv servers will otherwise remain in operation. We will still be accepting submissions and the arXiv site will continue to be available for [...]

### We're hiring! arXiv Technical Director

Read the full job description and apply here. Reporting to the arXiv Faculty Director, the arXiv Technical Director will lead the effort to update arXiv's technical design and implementation, in order to meet short- and long-term strategic goals. The role will include: Identifying requirements and setting priorities for the arXiv cloud migration Creating a strategic [...]

### Professor Ramin Zabih named arXiv faculty director

arXiv, the world's leading open access research sharing platform, is pleased to welcome Professor Ramin Zabih as faculty director. Zabih is a computer science professor at Cornell Tech and president and founder of the Computer Vision Foundation (CVF). His research focuses on computer vision and its applications, especially in medical imaging. He trained at the [...]
