

DLIT Projects - Ongoing Maintenance & Development

List of DLIT projects and summarizing ongoing maintenance and development requirements. Goal to provide a profile of existing status, assess future implications and assist in decision making.

Project	Sponsor/Curator	DLIT Staff	Platform /Tehnology	Notes: Next Steps, Challenges etc.
GloPad	Karen Brazell	Jim, George	Mix including Drupal and PostgreSQL	looking at adding backup and investigating adding enhancements
Goldsen /Rockefeller	Tim Murray	Danielle, Jim, Laura, Steve	Mix including E-Commons for delivery of documents	Currently digitizing and uploading last three years of Rockefeller Competition Material into E-commons (2005-2008); Plan to migrate Empryre website to CUL platform; Summer 09 will work with Wen Pulin material (upload additional content & revamp webpage). Funding coming from Tim's 20 k from FIT Grant in 2005.
KMODDL	John Saylor	Matt, Fiona	mix including DLXS for monographs	Monographs moved to DLXS. Site sits on library1 and has some additional materials to be added by Matt from Faculty.
Muller-Kluge	Faculty Grant (initially) David Bathrick/Cornell Rainer Stollmann/Univeristy of Bremen	Jim, Danielle		awaiting news on grant proposal - March 2009 notification
NYS Aerial	Faculty Grant (initially) Jeannie Barnaba	Jim, Danielle	Luna	Jan 09 - completed addition of 2 new counties. Barnaba is applying for 2009 FIT grant
Beyond the Taj	Faculty Grant (initially) Bonnie MacDougall	Danielle	Luna	early 2009 - completed integration of additional slides from earlier FIT grant
Andes	Faculty Grant (initially) Bille Jean Isbell	Danielle	Luna	Done.
Vicos	CIT grant (initially) Billie Jean Isbell; Herman Goldman Fund; Grant proposal	Danielle, Laura, Steve	Luna, E-Commons	Completed scanning and loading of 2000 photographs into Luna and multiple historical documents into E-Commons. Steve working with David Block to complete front-end website. David Block & Elaine working on promotion (Chronicle article). Still would like to pursue additional grant opportunities to expand collaborative community working with the people in Vicos. Low-bar possibility- load photographs into Flickr to see what sort of social tagging might come from Vicosinos.
Huntington Free Library Digitization	In-house digitization project to scan monograph material from HFL Collection with a focus on language. Funding provided by Sarah Thomas (40 k).	Bronwyn, George, Shakhya, Danielle	DLXS	Scanning, metadata creation, and qc taking place spring-summer 09. Anticipate scanning upwards of 120 books total to be loaded into DLXS. Ideally would seek additional funds to continue digitization.
Bolivian Pamphlets	40k pages digitized from unique Bolivian Pamphlet Collection provided by David Block.	Bronwyn, George, Shakhya, fiona, danielle	DLXS	Scanning & metadata complete Jan. 09. Wrapping up qc. Plan to upload into DLXS March 09.
Cornell Daily Sun	Library Alumni Relations, RMC and CDS	Fiona, Matt	Greenstone	Challenges -
Friend of Man	Faculty Grant	Fiona, Matt	Greenstone	completed. No additional content to add. Challenge - upgrade to same version of Greenstone as CDS for easier long-term maintenance?
Preservation News	Faculty Grant	Fiona, Matt	Greenstone	completed. No additional content to add. Challenge - upgrade to same version of Greenstone as CDS easier long-term maintenance?
Race and Religion	Originally set up in response to President Lehman's initiative. No current sponsor.	George	pre-DPubs	Plan to move collection from library1 to library5. Eliminate WAIS search engine and pre-DPubs code with DLXS
