## Personal Evaluation

During the first half of the semester, our team (Gemma and I)

- 1. Uploaded all the previous reports on Tube Flocculation research since Summer 2007,
- 2. Created teach-in power point presentation for new members in AguaClara,
- 3. Ran the same experiments conducted as last semester to check the repeatability of our experiment apparatus,
- 4. Checked to see if there is any significant fluctuation in our data.
