

CIT Account Management - Delete

Our Account Manager is Greg Chistofferson (gc88) who reports to Diane Sempler (dms4).

We will have (at a minimum) quarterly meetings with Greg. These meetings are a forum for DLIT/The Library to bring up issues we are having with CIT, talk about new initiatives and strategic thinking related to IT, get help with coordination among CIT stakeholders.

Current Issues Brought up to Greg (and resolution if any)

Issues to be Brought up to Greg
