Statement of purpose (draft 5/21/10)

Partnerships & Initiatives Page on the CUL Website <http://www.library.cornell.edu/aboutus/partners>

Purpose:

- To demonstrate that
  - CUL is a vibrant, innovative entity that is critically important to the mission of the university
  - CUL is a wonderful partner for faculty, students, foundations, corporations, other cultural institutions and libraries, helping each achieve their goals while advancing our own
  - CUL is a worthy recipient of gifts from donors
  - a 21st century library is "not just books"

- Intended audience:
  - Cornell faculty,students and administrators
  - Prospective library employees, faculty and students
  - Foundations and corporations
  - Donors and friends of CUL
  - Other cultural institutions and libraries
