AguaClara in the Press

2012

[Cornell engineering students help provide Honduras town with safe, clean drinking water](#) Feb. 7, 2012 WaterTech

[Cornell's AguaClara Team Nears Completion of Eighth Water Plant in Rural Honduras](#) Feb. 6, 2012 Newswise

[This Big City: Tell us about AguaClara!](#) Feb. 2, 2012

[Cornell Engineers Bring Clean Water to Communities in Honduras](#) Jan. 31, 2012 Cornell Daily Sun

[Eighth student-designed water plant rises in Honduran town](#) Jan. 26, 2012

[Student-developed filter in Honduras is cause for a party](#) Jan. 26, 2012

2011

[Engineering for a Better Tomorrow: Breakthrough in Water Treatment Technology](#) Dec. 16, 2011

[AguaClara wins cash prize at Tech Awards gala](#) Nov. 7, 2011

[Tech of Tomorrow: AguaClara](#) Nov. 5, 2011 Wenytv

[AguaClara to be honored with Intel Environment award](#) Sept. 29, 2011

[Student Engineers Build Water Treatment Plants in Honduras](#) Mar. 28, 2011 Cornell Daily Sun

[Cornell University engineers bring clean water to thousands of Hondurans](#) Mar. 15, 2011 MediaGlobal News

[AguaClara to bring more water treatment plants to Honduras](#) Feb. 9, 2011

2010

['Be a Scientist - Save the World'](#) Nov. 3, 2010 Cornell Daily Sun

[Student project wins \\$75,000 for drinking water technology](#) May 3, 2010

2009

[The Scientist: Monroe Weber-Shirk](#) Nov. 11, 2009 Cornell Daily Sun

[AguaClara breaks ground on new water plant to serve 2,000](#) Oct. 20, 2009

2008

[Fleetwood native helping Hondurans drink clean water](#) Oct. 1, 2008 Reading Eagle

[Porque Nos Importa - Agua para el Pueblo and AguaClara on National Honduras Television](#) aired on Aug. 19, 2008

[Cornell Engineering Magazine Summer 2008](#) By Anne Ju, Photos by Lindsay France

[CornellCast: Traveling with AguaClara - Cornell writer and photographer document the work of engineering students in Honduras](#)

[From Hungerford Hill to Honduras: Cornell's water treatment expert helps deliver drinking water](#) Feb. 29, 2008

[Engineering alums working on water plants in Honduras are AguaClara's 'eyes' on the ground](#) Feb. 19, 2008

[Cornell engineering students break down science of water plant technology for Hondurans](#) Feb. 13, 2008

[CU students help celebrate a new chapter in Honduran town of Támara - the promise of clean, treated water](#) Feb. 4 2008

[Honduran water plant designed by Cornell students is handed over to a grateful village](#) Jan. 23, 2008

['Don't drink the water!' — on illness in Honduras](#) Jan. 23, 2008

[This ain't no Walt Whitman moment: Thoughts on Honduras](#) Jan. 18, 2008

[Students traveling to Honduras for AguaClara water project](#) Jan. 8, 2008

2007

[Episode two Water System AguaClara](#) April 02, 2007

[Spotlight on students: Heather Reed](#)
