Here are the expectations for this space:

1. Share it with the people who contributed to the MapleWood meetings on 4/12 and 4/13 and ask them to review the notes.
2. Make corrections as needed.
3. Open up access to the Cornell Community
4. Share with broader group, including Workday team, and ask for more input.
5. Finalize estimates, diagrams and slides in time for meeting with Dave on 4/29.
6. Adjust slides again and prep for meeting with Ted (5/12)
