

Scheduling A Meeting With Doodle Poll

Are you trying to schedule a meeting and having a hard time agreeing on a date and time? **Try out Doodle Poll.**

Doodle enables you to propose several dates and times and the participants can indicate their availability online. You'll find the perfect time to meet in a quick and easy way no matter how many people and calendars are involved. More information about using Doodle Poll: <http://www.doodle.com/about/about.html>

Doodle Poll is free, easy to use and doesn't require you to set up an account to start using it. If you do set up an account, it's still free and you'll have extra features: <https://www.doodle.com/mydoodle/open.html>

Schedule a meeting now! <http://www.doodle.com>
