

ChemIT web site

ChemIT web presence

Fill out ChemIT's blog so we can delete our old web site's data. And maintain this wiki site.

ChemIT main site

- <http://blogs.cornell.edu/chemit/>

Once filled with sufficient info, including from old site:

- direct <http://it.chem.cornell.edu/> to this blog
- delete old CRCF web site's data.

Things to have on its front page

- What we do
- support expectations: roles and responsibilities, response times,
- Where we are located
- Invitation to contact us for assistance or consultation
 - Request form?
 - Info to give us to ensure best response
- Availability: Hours (see expectations, above)
- Search box to our wiki's "docs" section
- Search boxes to Google/ Bing/ etc.
- Possible top-value links to docs and info?
- News
 - Can we bcc: to feed news here which we are sending our to others as a regular email? (How deal with spam?)

ChemIT wiki

Contains most user and ChemIT staff documentation

- <http://wiki.cornell.edu/display/chemit>

Other info

Documention topics from RogerG

From 20130606Wed ChemIT roll-out meeting.

User doc topics needed

Old files

- On [A&S web server](#)
- R:\Chem IT\chemwebsite
 - Roger writes (3/18/13): I think they are like 7 years old?
