

Headphones and speakers

CCB staff who need headphones to do their work can request a pair from ChemIT. Others are welcome to consult with us regarding options.

Examples of workable, cheap headphones

Per Oliver (12/2013)

- ~\$9-13/ pair, including S&H.

Note: The pair Oliver got originally for work are //really// uncomfortable, though they look like they'd be comfortable. :-) He personally bought the above pair for home use, and they work much better.

Extension cables.

We also have extension cables for headphones for CCB staff.

Alternatives

Some folks will find that using their own iPod earbuds work out just fine for them.
