Other tools

Great tool for scheduling meetings among people not using Cornell's calendar system (which is Office 365)

- http://doodle.com/

Also capable of doing regular surveys.

Google Forms

- http://support.google.com/drive/bin/answer.py?hl=en&answer=87809

Per the web site, "Google Forms is a useful tool to help you plan events, send a survey, give students a quiz, or collect other information in an easy, streamlined way." Might be attractive is you value easily collecting data within a Google spreadsheet, for example.

Yet another survey tool
