Present: Jim, Kate, Adam, Boaz

We reviewed the agenda for the coming first JSMIN meeting at Cornell (October 23-24) and made some changes to the schedule and language (i.e. be more specific in bullet 2 in regard to what we review; de-prioritization of the 2CUL aspect of the planned open-house time; shortening the "wrap-up" meeting with Bob to 45 minutes starting at 3:15).

We will arrange a TSI SC meeting with the e-resources troubleshooting working group in the coming weeks (aiming for Oct. 14th).

Jim or Kate will submit the agenda to JSMIN members once it is ready.
