

# Resource 25 (r25) room scheduling web application and ATC's technology DB

Chemistry IT staff, among others in the Chemistry and Physics departments, have access to see the university-wide room schedules using this application. A few also can edit the schedules, using RDP. Includes link to classroom technology database.

## Contacts

As of 9/2017, technical support person for R25 is:

- Email <r25Admin-l>
- Tom Boggess <tdb1>, 5-5741.

## To just view: Main application

NOTE: Proper authorization is required

- Facilities WebViewer: <https://r25.registrar.cornell.edu/fac>
- Student Org WebViewer: <https://r25.registrar.cornell.edu/wv4>
- Cornell Org WebViewer: <https://r25.registrar.cornell.edu/wv5>

The R25 system was upgraded on November 10, 2015 and the links to the WebViewers changed. Old URL, FWIW:

- <http://r25.sas.cornell.edu/fac>

## Technology database

- <https://avdb.hosting.cornell.edu/avdbsecure/index.cfm>

## To edit: Main application

Remote Desktop (RDP) to r25ts.registrar.cornell.edu

- Uses NetID credentials to get into the Terminal Services server.
- Once in, the application uses non-NetID credentials, with NetID as the username.

The R25 system was upgraded on November 10, 2015 and RDP address changed. Old address, FWIW:

- <r25rt.registrar.cornell.edu>

## Support

## Rooms in Baker Lab

- 119\*
- 135\*
- 200\*
- 219\*
- 335\*
- G08

\*These rooms have A&S/ Chemistry department-supported projectors, computers, and iClickers. Contact [Lars Washburn \(Electronic/Instrument Shop\)](#) or [ChemIT](#).
