

Open Issues

- 1) How can we expand the advertisement for our podcasts?
- 2) Plan filming of USAIN Invited Speakers and other sessions.
- 3) What should we do next?
- 4) Do we need to buy any additional hardware/software?
- 5) Who will edit the videos going forward?
- 6) Where will the videos be stored? Need to buy more space? (Bill Klinko is working on this.)
