Computers in Chemistry Instructional rooms

List of software on the Macs and PCs in CCB's 4 instructional rooms: 200 (the big auditorium), 135, 219, and 335. (No computers in 119).

iClickers in CCB instructional rooms

CIT's ATC provides Cornell's iClicker service. Although the Baker Lab classrooms overlap, all iClicker stations are set to the "AA" frequency.
