Craig A. Wheeler
(Cornell MS '82, '84 ChemE)

Momenta Pharmaceuticals, Inc.

Wheeler joined Momenta as CEO in September of 2006. He led the company through the launch of its first complex drug products, including the first generic versions of LOVENOX® and COPAXONE®. In 2011, he was an E&Y Entrepreneur of the Year Regional Award winner. In May 2012, the Boston Globe named Momenta the number one company in their annual Globe 100 survey of top performing companies. Prior to joining Momenta, Wheeler was president of Chiron BioPharmaceuticals where during his five-year tenure the pharmaceutical division's global sales more than doubled. Before that, he was a senior member of The Boston Consulting Group's health care practice. He began his career at Merck's MSDRL research unit. Wheeler is currently a member of the board of directors of Amicus Therapeutics. He also previously served on the board of the Association for Accessible Medicines as well as being chairman of the board of Avanir Pharmaceuticals.
