

# Seminars

Recommended as it gives you some breadth in a variety of areas. Generally weekly talks by outsiders, very simple assignments and one credit, many are S/U grading.

## **MAE**

MAE 7999 MAE Colloquium (Fall, Spring)

MAE 5459 Energy Seminar I (Fall)

MAE 5469 Energy Seminar II (Spring)

MAE 6969 Seminar in GPS and GNSS (Fall)

MAE 5949 Enterprise Engineering Colloquium (Spring)

## **Other**

BME 5010 - Bioengineering Seminar (Fall, Spring)

BME 7900 - Biomedical Engineering Seminar (Fall, Spring)

CHEME 5990 - Medical and Industrial Biotechnology Seminar (Fall, Spring)

CEE 6020 - Seminar - Water Resources & Environmental Engineering (Fall)

CEE 6021 - Seminar: Environmental & Water Resources Systems Analysis (Spring)

CEE 6030 - Seminar - Environmental Fluid Mechanics and Hydrology (Spring)

CEE 6060 - Seminar - Transportation System Engineering (Fall, Spring)

CEE 6090 - Seminar: Engineering Systems and Management (Fall, Spring)

ORIE 9000 - ORIE Graduate Colloquium (Fall, Spring)

CS 7790 - Seminar in Artificial Intelligence (Fall, Spring)
