

Contributors - Old

This is the old Contributors Resources page. To access the new one click [here](#)

Some resources available to our contributors:

- A [template](#) for creating new tutorials. This template ensures that tutorials have a common structure informed by sound pedagogical practices even though developed by different authors.
- [Tips for editing in confluence](#)
- [Guidelines](#) for creating video snippets using Camtasia
- A [tutorial](#) of how to edit the SimCafe Confluence Website
