IR User Stories Working Group

Membership:

Jenn Colt, Jim DelRosso (lead), Wendy Kozlowski, Jeff Piestrak, David Ruddy, Simeon Warner, Mark Williams

Active Dates:

September 2014 - April 2015

Summary:

Building on the work of the Repository Inventory and Functionality Working Groups, this group's efforts are focused on collecting Institutional Repository User Stories. These will be used for evaluation of the current IR systems (bepress, eCommons and possibly Hydra) and their features.
