

Contextual Visions and Missions

Ensure linkages and coordination using a table summarizing visions, missions, strategic plans of pertinent organizational entities impacting Chemistry IT.

Caring about others visions and missions

Q: What are the best ways to ensure linkages are strengthen between Chemistry IT and the rest of the institutions, while we serve the department's needs?

A: Ensure alignment with high-level organization plans, visions (aspirations), and missions.

Broad University Context

Level in organization	Leader	Strategic Plan	Vision/ aspiration	Mission/ focus	Notes
University	Elizabeth Garrett, President	New forthcoming Last one: 2010-2015 <ul style="list-style-type: none"> https://www.cornell.edu/strategicplan/ 	Cornell University will be widely recognized as a top-ten research university in the world, and a model university for the interweaving of liberal education and fundamental knowledge with practical education and impact on societal and world problems. <ul style="list-style-type: none"> https://www.cornell.edu/about/mission.cfm Elizabeth vision for Cornell, per email to Alumni sent 12/8/15: <ul style="list-style-type: none"> Lead the world in creating new paths to discovery, knowledge and the many ways we can move closer to the truth 	Learning. Discovery. Engagement. Cornell is a private, Ivy League university and the land grant university for New York State. Cornell's mission is to discover, preserve, and disseminate knowledge; produce creative work; and promote a culture of broad inquiry throughout and beyond the Cornell community. Cornell also aims, through public service, to enhance the lives and livelihoods of our students, the people of New York, and others around the world.
