

Triticeae Toolbox (T3) Home

Welcome to The Triticeae Toolbox (T3)

This Confluence wiki houses the development conversation of The Triticeae Toolbox (T3) websites. T3 is the web portal for the data generated by the [Triticeae Coordinated Agricultural Project](#) (T-CAP), funded by the National Institute for Food and Agriculture ([NIFA](#)) of the United States Department of Agriculture ([USDA](#)). T3 contains SNP, phenotypic, and pedigree data from wheat and barley germplasm in the Triticeae CAP. [More...](#)
