### Printers with scanner capabilities (MFP)

- MFP: [Multi-function printer](#) .
  - In Chemistry, most are All-in-one or SOHO MFP's-sized, with a few Office MFPs.

### Xerox MFPs

Xerox WorkCentre 6027ni (color)

### Other MFPs, usually "deals"

12/6/16: Samsung ProXpress M3870FW

- CDW Part #: 3025624 | Mfg Part #: SL-M3870FW/XAA
- For Pat Hine and Brett Fors. At least one was \$229.16, bought Nov. 3, 2016.
- 5/16/2017: Roger Loring, instead of \$50+ toner replacement. Via PCard at Staples, \$249.99.
- All under Eastern contract for toner (and thus service).
- FYI: Generic rebate sometime in 2016: "\$399.99-\$100 savings = \$299.99, Ends 12/31"
