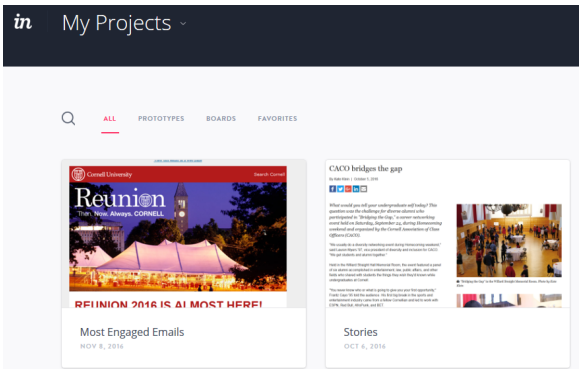
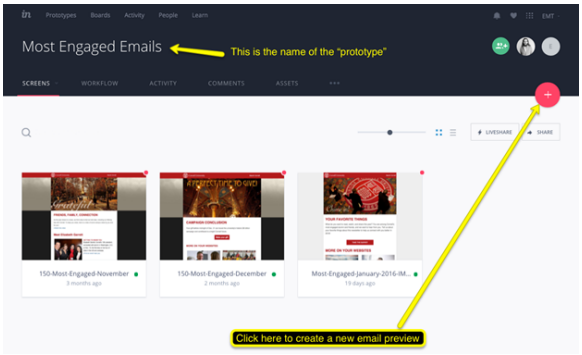
# Using inVision



Login to InVision https://projects.invisionapp.com/d/login

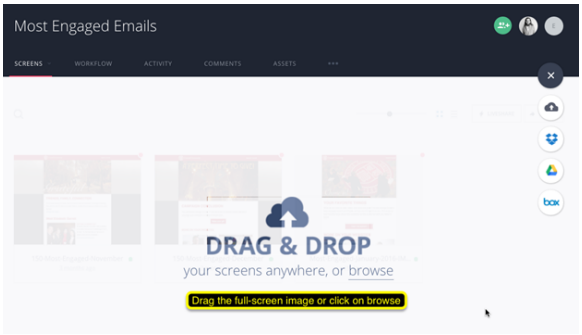
Click on the project you are adding to.

---



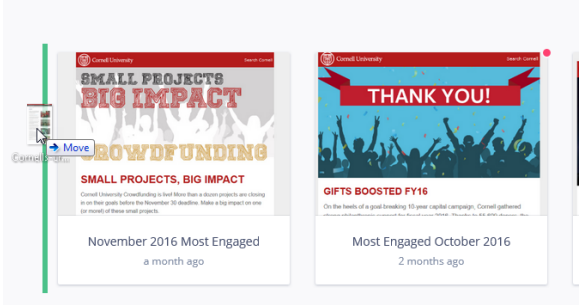
Click the plus sign to create a new preview

---



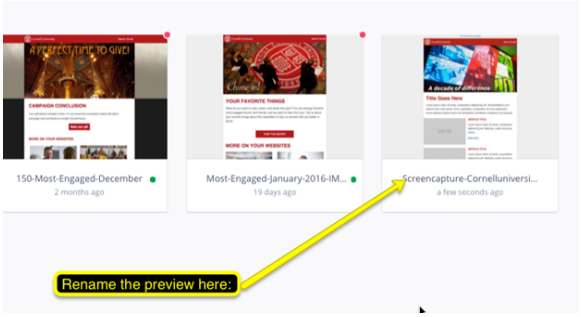
Drag and drop the screenshot.

---

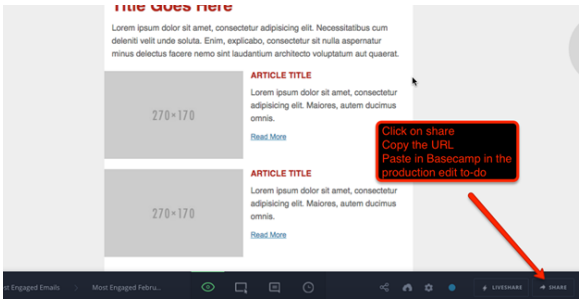


You can position the screenshot so that it's at the top. When you drag the screenshot onto the page, the Drag & Drop overlay will disappear and you will see a large curser. Position where you want to put the screenshot and drop.

---

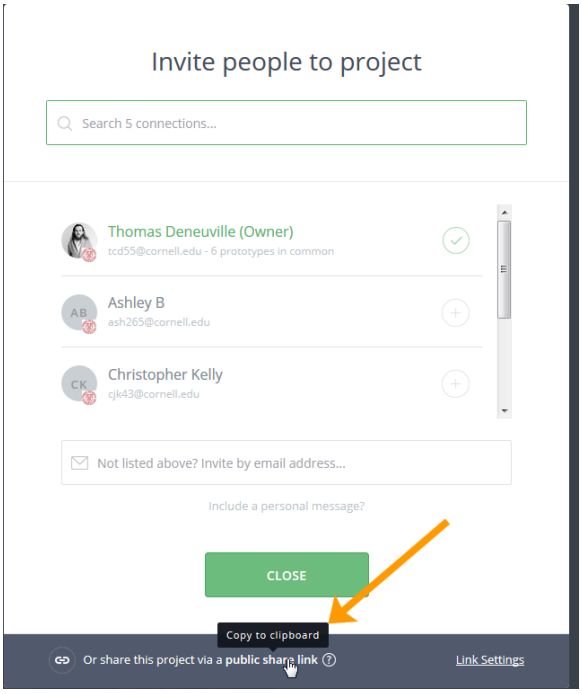


---



Click the "Share" link

---



Copy URL and paste into basecamp in the appropriate to-do.

---

Most Engaged email - Step last

If you are working through the "Most Engaged emails" steps, you will need to continue on to the final steps. Most Engaged email - Step last

---
