MWG Working Documents

These are a series of working documents from the 2016-2017 session of the CUL Metadata Working Group. They are meant to be places to share outputs of our meetings as well as have shared documentation of metadata efforts, knowledge, and needs across CUL. Feel free to comment upon or add to any of the following pages.

- Metadata Ecosystem at Cornell (Captured at a 2016 MWG Working Session)
- Metadata Application Profiles (Captured at a 2017 MWG Working Session)
- Data Scripting Bootcamp (Resources for the 2017 MWG Workshop/Bootcamp)
- Metadata Assessment Workshop
- Metadata Code Club
