- user-177d6

Discussion items

Time	Item	Who	Notes
	New and Notable	Group	- Artificial Intelligence is on the horizon (Horizon Report) - Ed Tech take aways - video watching/making must be required - faculty as hesitant as students - tech support necessary - podcast successful so far - Google Jamboard
	Project Updates		- iPad mirroring (elevator and Matt's office) - What is the price cost? - Test digitalsignage player on an andriod - Test digitalsignage on iPad again - URL over digital signage ap? - Show more people how to "fix" the current ipad stall - One-Button Studio - not a lot of news, replace the USB hub - Digital Rare Book Display - Set up in gallery - Sara - met expectations - Camille - search function bogged down - page turning animation not present - HOw do we use it? - Where? - between exhibits - Reunion time? - What does it cost? - SpaceScout update from Sara E. - postpone - Tobi's feedback on 360 camera instructions - Let's start using the 360 to promote library events
15 Min	Library Liaison Videos		- List of Volunteers - Sarah Kennedy (sek45) - Tom Ottaviano (tjp65) - What value does this bring to the library? - Who is going to watch them? - Who is the audience? - Specific, "here is what I can do for your class" - Kelee and Matt will meet and talk. - Highlighting faculty/liaison relationship - What does the video look like? How involved? Headshot only? Cut away video? - Maybe we should join Online Learning Group to have a librarian make an ATC video for liaison work
	Report from the West Coast	Jim	
	Demo of Rare Flip Books	Gabe	Field Trip to Access Services
