Cornell InfoSci PhD Wiki

Welcome to the Info Sci PhD Wiki!

This space is for current and prospective PhDs to share info and resources, find necessary documents, and whatever else.

On the left, you can see the current list of pages.

This site is currently under development by PhD student Maria Antoniak (maa343) and Info Sci staffers Laura Webster (ldw59) and Lou DiPietro (lad276). If you'd like to help with this page, get in touch.
