

Apple Cornell warranty options

AppleCare+ Extended Warranty from Apple themselves

Extends the warranty from Apple from 1 year to 3 years and adds two incidents of accidental damage during that time period. Accidental damage has a \$99 deductible for screen damage and \$299 deductible for anything else. Service is coordinated all with Apple, including potentially shipping the product to Apple or use of Apple's authorized repair centers (in Ithaca, The Computing Center). Onsite service not possible due to changes in Apple's repair network and the fact Ithaca is in the middle of nowhere to Apple. This MUST be purchased within 60 days of original purchase. After 60 days, but before 1 year, you might be able to purchase regular non-accidental damage Applecare. Theft coverage is not included.
