Notes from 2CUL JSMIN Meeting, September 14, 2017

Attending: Jeff Carroll, Adam Chandler, Sarah Elman, Kate Harcourt, Jason Kovari, Jesse Koennecke, Jim LeBlanc, Mark Wilson

1. We brought each other up to date on changes in our organizations including hiring Chris Cronin and Gerald Beasley, collaborative collection development and other Ivy Plus news, LD4P/L, work on the Columbia/Cornell/Harvard retention decision document and the ISNI Pilot.
2. We did not see immediate 2CUL opportunities on the horizon but we continue to value the personal connections which make work in Ivy Plus, the Fast Five, etc. more productive.
