

Guestbook

This is Tony and Trista's guestbook!

- It is made in a flexible way that allows you to participate in the way that works best for you.
- The book itself can be easily unbound, and pages can be shuffled and added to incorporate your contributions.
- The book will be expanded after the September events, likely to incorporate photos from the events and possibly pocket pages. The exact configuration is flexible to include your contributions.

Many ways to participate

Add as much or as little as you would like. All contributions are welcome, both simply stated or artistically inflected.

- Look for the book at the wedding events:
 - on 9/19 - the guest book will be available at the back patio from 3pm to 5 pm.
 - on 9/21 - the guest book will be available at a booth set up for that purpose next to the large tent.
- Sign your name in the book! (Names can share pages; you don't have to fill a page yourself.)
- Add a message of support and well-wishes.
- Illustrate with the markers and pens provided.
- Add a sticker or two.
- Families and groups of friends can make a page together!

Supplies will be provided

- Pages will be both in the book (for easy, quick signing) and loose (for more extended art projects).
- Gel pens, colored markers and sharpies shown will be provided.
- Sticker books will also be supplied; and you can bring others that might be special to you.

Guestbook is pictured above, with accompanying art supplies.

Remember to add your name at one of the events.
