

# VRWG Qualtrics Survey 2019

1.What do you hope to get out of the Visual Resources Working group?

- (open text)

2. We have discussed for some time the charge of the group, agency, and how best to provide continuity for visual resource collections challenges and unique needs. In your opinion, should VRWG be a: (bullet point)

- a. working group? (a group that takes on projects and other discreet tasks around visual resources)
- b. special interest group? (a group that is focused on communication, sharing information and knowledge, etc.)

3.Please provide any feedback about your thoughts about question 2 here:

- (open text)

4.What information or discussions in this group would you find most helpful to your work?

- (open text)

5.Topics for upcoming meetings that would be useful to know more about (copyright, digital collections, etc.):

- (open text)

6.Ideas for events/training sessions (Wikipedia/Media, digital humanities, visual resources technologies):
