Goals

Discussion items

Time	Item	Who	Notes
5min	News and announcements	All	<ul style="list-style-type: none">• B30B is getting renovated - new projectors, screens, LCD monitors on back wall, cameras, lectern; won't need to do much shops work, but some will happen over the holidays break; av installation will happen in early January• Graduate study area renovation first full week of January; Wendy working on mock-ups for signage on the acrylic walls; the only piece that we're still waiting on a quote for are the buzzi privacy walls for the workstations; will throw launch party during February break (tentatively scheduled for Tuesday Feb. 25)
20min	Restorative space	Camille and Tobi	<p>Results of easel pad survey</p> <ul style="list-style-type: none">• Napping pods were the big winner• Food and drink was the second• Good/natural/warm lighting; SAD lamps• Games• Plants/fruit trees• More bean bags• Yoga stuff• Pillows & blankets• Quiet/screen free space• Work supplies• Noise (white noise/cat purr)• Smells (essential oils/aromatherapy) <p>Mann student advisory group feedback</p> <ul style="list-style-type: none">• Spa music• Living or moss wall• No nap pods - students will pass out for hours! Just put more bean bags out on the 2nd floor• Yoga mats• SAD lamps• Turf instead of carpeting
20min	Digital signage	Matt and Camille	<p>Public signage testing</p> <ul style="list-style-type: none">• Kevin redesigned signage to be accessible• Matt Ryan hung the sign portrait style, but is tricky for reference staff who use that as a pathway to the front desk• Patron survey is out now <p>Signage app on server</p> <p>Staff signage: working prototype of the staff view for circ (details on open PR.)</p> <ul style="list-style-type: none">• Now is a live feed with current reservation data
5min	Other business		<p>Phone booths</p> <ul style="list-style-type: none">• BuzziBooth on elevator landing areas?• Buzzihood is a wall-mounted option - could be challenging for accessibility• How well does these actually block sound? Not fully enclosed
