

# Remote Training And Work Options

For help with the logistics of remote work see: [Tools for Working Remotely](#)

[Box.com](#) documentation from IT@Cornell

## **General training**

[LinkedIn Learning](#) (formerly known as Lynda.com)

Training videos on a wide variety of topics, including various Office products (such as Access and Excel)

## **Cataloging-related training**

[OCLC "AskQC" Office Hours](#) recorded sessions from OCLC's Quality Control – learn more about cataloging in OCLC and using Connexion

Each session has a featured topic (such as "when to input a new record," and "small errors with big consequences").

[Fundamentals of Library of Congress Classification](#)

Presentations, Exercises, and Supporting Documents from [RDA Toolkit Workshop: A Crash Course](#) (January 2020)

[Library of Congress Subject Headings](#)

LC created this extensive subject heading training for their overseas offices and continues to update them regularly

Watching these all is a long-term commitment!

[IFLA LRM \(Library Reference Model\)](#)

Modules from the PCC Standing Committee on Training (2020)

[RDA Toolkit Learning Resources](#)

Links to a number of free, online resources for learning more about RDA, LRM, and the new Toolkit.

A Head Start to the Beta RDA Toolkit from NETSL 2020 virtual conference

[Zoom recording](#) Password: B0@\*\$D&!

Are you dreading the implementation of the RDA Toolkit? If so, this workshop is for you. Learn how to “decipher” instructions in the beta RDA Toolkit by cataloging a monograph, and be better prepared to cope with the changes ahead.

Dominique Bourassa, Chair, North American RDA Committee; Catalog Librarian, Yale University
