(generally 2nd Friday of each month)

CUL Project Members

Technical Staff

- Sarah Chintomby (developer)
- Christina Cortland (lead developer)
- Greg Delisle (SysOps)

Exhibit Management Group

This group takes the primary responsibility for setting policies for Exhibits, including who can create exhibits, how long content will be available, identifying legal responsibilities for attaining copyright permissions and FERPA releases, etc. They will also work with the Technical Lead to define and prioritize potential feature upgrades to the Exhibits system.

[CUL Online Exhibitions Committee Policy](#)

- Steven Calco (ILR) (convener)
- Eveline Ferretti (Mann)
- Craig Mains (Olin/Uris)
- Emily Zinger (Kroch Asia)
- Phoebe Kowalewski (RMC)

Active Exhibit Curators

- See [Exhibit Status](#) page for list of exhibits and owners

Other Stakeholders

- Jesi Buell
- Phil Robinson
